TERRITORIAL AUTHORITY ANNUAL REPORT

1 JULY 2016 TO 30 JUNE 2017

KĀPITI COAST DISTRICT COUNCIL

1. OVERVIEW OF DISTRICT LICENSING COMMITTEE (DLC) WORKLOAD

DLC's structure and personnel

The DLC Chairperson is Councillor Fiona Vining.

The DLC Deputy Chairperson is Councillor Janet Holborow, and an alternate Deputy is Councillor Jackie Elliot.

We have four list members as noted below:

- Hilary Wooding
- Michael Dodson
- Trevor Knowles
- Philip Parkinson

The Secretary of the DLC role is delegated to Kevin Currie, Group Manager Regulatory Services.

The Committee Advisor is Jacquie Muir, Environmental Standards Manager.

In addition Committee support roles are shared between staff in the Secretary's and Council's Democracy Services teams.

With regard to the Inspectorate, we currently have the following team members:

- One full time Alcohol Licensing Inspector
- One full time Alcohol Licensing Inspector/Administrative Officer
- One Chief Licensing Inspector, the Team Leader of Environmental Health, contributing approximately 35% FTE

Any staff training undertaken relating to the Sale and Supply of Alcohol Act 2012

- Two Licensing Inspectors attended the NZILLI Conference this year.
- The Environmental Health team as a whole attended "confident conversations" workshops.
- The DLC members attended a day's training facilitated by Al Lawn, Commissioner for Christchurch City Council.
- The DLC members and Committee Advisor attended a recent webinar facilitated by LGNZ

DLC hearings or meetings

The DLC convened 22 Temporary Authority Hearings.

There were four other hearings:

- New Managers Certificate – Declined but overturned on appeal to ARLA
- Renewal of Grocery Store Off Licence - granted

- New Bottle Store – granted but awaiting an appeal to ARLA on conditions
- Renewal of Tavern style On Licence – awaiting decision

The DLC met as a group twice this year to discuss issues.

2. DLC INITIATIVES

New initiatives adopted or tried by the DLC

The Council continues to notify all Elected Members and Iwi group representatives (from Te Whakaminenga o Kāpiti, Te Āti Awa, Ngāti Toa Rangatira) and Iwi representatives to standing committees of Council of all applications related to new and the renewal of licences.

The Inspectorate has implemented a quality management system which includes clear processes and a document management system.

3. LOCAL ALCOHOL POLICY

Does the Territorial Authority have a draft or provisional Local Alcohol Policy, and if so, any comment on this?

The development of a Local Alcohol Policy is not on the current Kāpiti Coast District Council Policy Work Programme.

4. CURRENT LEGISLATION

Any comment on the Sale and Supply of Alcohol Act 2012

The way the requirements for the different licence types are spread through various sections in this Act is still a problem for Inspectors, especially when training staff.

The DLC applauds the announcement by the Associate Justice Minister Mark Mitchell that the Government intends to make changes to the Act to address the unintended effects of tobacco excise tax increases on grocery store off-licences. The unintended consequences of the Act as it was, had the potential to stop our small provincial grocery stores holding Off licences and we see these proposed changes as a very positive move to ensure the continued economic viability of these stores in our community.

5. ANY OTHER MATTER THE TA MIGHT WISH TO DRAW TO THE ATTENTION OF THE AUTHORITY

Any noticeable trends or issues faced by the DLC

The reporting agencies (Police, MOH and Licensing Inspectors) have been working with Off-licence bottle stores (new and renewal applicants) to gain agreement to reduce opening hours back to 9pm in line with current Alcohol Control in Public Places Bylaw. This Bylaw restricts public place drinking in all urban areas of Kapiti after 9.00pm. When no agreement has been reached applications have generally been opposed by one or all of the reporting

agencies. Recent appeals to ARLA where conditions on hours have been overturned have contributed to an increase trend towards applications for later trading hours.

6. STATISTICAL INFORMATION

Annual return

Please find enclosed as attachment A, the annual return for July 2015 to June 2016

Current listing of Licensed Premises

Please find enclosed as Attachment B, the current listing of licensed premises. If you would prefer to receive an excel spread sheet by email, rather than this hardcopy print out in the future, please let us know.

If you have any questions please do not hesitate to contact Julie Lloyd, Environmental Health Team Leader and Chief Licensing Inspector on (04) 296 4695.
