**Katherine KELLY**

My principal place of residence is in the Waikanae Community Board area.

I am a resident and ratepayer since 2013, with a background in Insurance and Finance.

I was a Volunteer at the Waikanae Support Hub, where I was able to use my skills and abilities. The

Hub was crying out for basic organisational skills to set it up. I attracted a great team of like-minded volunteers with a wide range of different skills. Based in Mahara Place we had a couple of great years.

Unfortunately, due to funding restrictions, that died.

I offer my enthusiasm and a fresh approach to Council. To me, this position is all about listening to your needs and advocating on your behalf.

I believe a bigger, permanent Library is essential to Waikanae. This will invigorate Mahara Place and the surrounding retail area.
