Submission

Proposal 1: Three waters funding
Which option should we choose? (select one option)

Option 1: Fund \$4.7 million shortfall with an additional 5% rates increase in Year 1.

Would you like to expand on your answer for option 1?

Thank you for the information made available to rate payers . We thought this information makes clear that a rates increase is the way to go , rather than increasing debt .

Proposal 2: Proactively reduce Council's debt
Which option should we choose? (select one option)

Option 1: Apply average rates increases of 8% per year from 2025/26 to 2033/34

Proposal 3: Transfer Council's housing for older people
Which option should we choose? (select one option)

Option 1: Transfer our older persons' housing assets to a new Community Housing Provider

New climate action rate

Which option should we choose? (select one option)

Option 1: Introduce a new targeted climate action rate based on a property's capital value rather than the current land-value based general rate

Would you like to expand on your answer for option 1?

Well done for declaring a climate emergency and working to make funding for climate action transparent. Thank you for acting and looking to do things now for our future.
