

KAPITI COAST DISTRICT COUNCIL
Paekākāriki-Raumati Ward
Electing 1 Councillor

Bede LARACY

Independent

My principal place of residence is in the Paekākāriki-Raumati Ward area.

I believe that strong communities build a vibrant District, and that people need to be at the heart of all key decisions.

I have lived in Kapiti since 1979 and raised family here. I am a local business owner, and for the last couple of years have worked to raise the profile of Raumati Beach with Council. That experience has highlighted the need for better investment in the Village. I have a deep interest in politics, and hold a Masters Degree in Democracy. I have taught Small Business Management at Te Wananga O Aotearoa for 10 years, and I have 11 years legal experience in the Employment Law field.

As someone with a long personal and business connection to the areas within the Paekakariki Raumati Ward, I relish the opportunity to be part of ensuring these communities continue to be strong vibrant places to live, play, and do business.
