 1. Oppose proposed increase of building height. 6 floors bad. 3 floors max good.

- Q10. **I seek the following decision from the Kāpiti Coast District Council: [give precise details]**
 Stop the massive 6 floor building height and Make 3 levels the maximum building height. As 6 levels building height is crazy massive and far to much in paekakariki and probably anywhere that is a housing area and not a central city. I have Concerns with how is would affect shade, vision, appearance, lack of privacy, septic tanks soak away problems, doggy building developers. It will be a detrimental alteration of our village space and property values and character. 3 levels is more than enough
