## Submission

**Proposal 3: Transfer Council's housing for older people**  
Which option should we choose? (select one option)

Option 1: Transfer our older persons' housing assets to a new Community Housing Provider

**Would you like to expand on your answer for option 1?**

Old people have a right to affordable housing and care after years of paid contributions and working. Council have a "Duty of Care" and should ensure a New C.H.P. continue this.

**Is there anything else you'd like to tell us about this LTP?**

The LTP should take into account the Financial and Economic situation and leave repaying debt and pushing schemes forward that place an increased burden on ratepayers struggling to make ends meet and feed and house their families. Using a "Debt Holiday" would ease the need to increase rates. Also looking at reducing Council staff inline with Coalition Government practice could decrease wages and expenditure.
