**James WESTBURY**

My principal place of residence is in the Waikanae Community Board area.

James Westbury, 44, Waikanae resident of 8 years, Community Pharmacist.

As the deputy chair of the Waikanae Community Board (WCB), I continuously inject fresh ideas and challenge the status quo, adding rigor to WCB and Council decisions. I have an uncompromising passion for Waikanae, continuously advocating for residents and local businesses to ensure our community gets its fair share of investment.

I am the proprietor of Westbury Pharmacy and Mahara Health and a director of the Pharmacy Guild of New Zealand. I have worked as a director in the NHS, as well as being a senior advisor in the Ministry of Health. My experience has equipped me to understand government and the commercial reality of operating a business.

I am results driven, and well equipped to provide strategic direction that is financially sound for community developments that are informed and inspired by the community.
