**Rob MCCANN**

Labour Party

My principal place of residence is in the KAPITI COAST DISTRICT COUNCIL area.

I bring significant experience in both private and public sector roles. I have been a business owner with a career in communications and events working with Universities, NZ Music, New Zealand

Film Festival, NZ Rugby Union, NZ Cricket, NZ Football, and White Ribbon NZ. I have been a Labour Party Candidate for Otaki and worked in Parliament as Press Secretary to the Minister for Social Development.

Our Kapiti Council has a huge role to play in ensuring we all have a decent quality of life, good facilities, reliable infrastructure and a vibrant community. I'm here to support our local community, keep rates in check and give you a real voice around the table. The role of being a councillor is about working effectively with a wide variety of people and using life experience and teamwork to navigate difficult decisions. It's about listening, being accessible, and most importantly, being accountable.
