PUBLIC SPEAKING TIME (other issues)

Bretta Jarden

Ms Jarden spoke on behalf of the Reikorangi Residents Association about their concerns around their local road which is 100km per hour. Ms Jarden said the road is not safe, narrow and full of blind corners and, is dangerous to cyclists and pedestrians. Ms Jarden said a lower speed limit would be the safest option.

Rick Swan

Rick Swan spoke on behalf of John Carter about Reikorangi road safety. Mr Swan said the road is not suitable for large trucks passing each other and there are a lot of pedestrians and cyclists walking or cycling along the white line with no safe place that is separate from traffic. Mr Carter would like Council to investigate a safe separate access way for pedestrians and cyclists which would go between Waikanae and Reikorangi Community hall.

Andrew McPhee

Mr McPhee spoke about not lowering the speed limit in Reikorangi. He provided numbers around local movements along the Reikorangi Road, and said speed is not the real issue, the issues are drivers or the quality of the road.

Rosalind Derby

Ms Derby spoke in regards to coordinating a Pop- Up in relation to grassroots input on the design of the Waikanae Town Centre. This is a temporary, micro-urban experience to confront/engage/enable visitors.

Ra Higgott

Mr Higgott spoke to the Board about Item 8: Road Naming – Ngarara Development Waikanae (CORP-17-237) and supported option one. He also spoke to Item 10: Waikanae Town Centre Parking (IS-17-218) about the Marae still being able to cone off some carparks when tangi or hui are being held.

Sue Lusk

Ms Lusk spoke about Item 11: Welcome to Waikanae Sign Positioning (IS-17-258). Ms Lusk asked should the Board be making the money allocated to the sign work more effectively and look at other options?

Keith Jefferies

Mr Jefferies spoke about Item 11: Welcome to Waikanae Sign Positioning (IS-17-258). The Board need to address this report tonight and make a decision.

NEW BUS STOPS FOR WAIKANAĒ AS PART OF BETTER BUS SERVICES FOR KAPITI (IS-17-251)

Mark Edwards, Senior Bus Infrastructure Engineer, Greater Wellington Regional Council (GWRC) spoke to the Board.

The report seeks the Board's approval of the recommendations from the GWRC report which details the new bus stops required for the two new Waikanae bus services. Mr Edwards also provided an update on why the consultation may have stalled due to a change in staff.

Cr Penny Gaylor from GWRC spoke to the Board about getting guidance from them on this report and listening to the Community's views. Cr Gaylor suggested that adding some more time into the process would be helpful to all involved.

The following points emerged from discussions:

- The report stated these would commence in September but this has been pushed out to the new year.
- Confirming the exact details with the affected residents on whether the bus stop will be a pole and flag or a shelter;
- Including more houses in the consultation possibly 3 to 4 houses either side.
- Making sure that the safety aspects should be covered off with the new locations;
- There have been too many people expressing their concerns in regards to this report and this report needs to come back to the Board after more consultation.

MOVED (M Scott/Westbury)

That the Waikanae Community Board declines to recommend to Council that it approves the recommendations at paragraphs 31 – 40 in Appendix 1 of Report IS-17-251 (New bus stops for Waikanae as part of better bus services for Kāpiti).

CARRIED

It was noted from the Board that:

1. The Board appreciates the work that has been done by GWRC;
2. The Board would like to see the Eastern route up and running;
3. It is important to make sure that the conversations are with those people affected;
4. Note that six of the locations in the report will be removed.

It was agreed that Cr Gaylor from GWRC would return and provide a verbal update and that the reports would come back to the meeting in October.

WAIKANAĒ TOWN CENTRE CARPARKING (IS-17-218)

Mr Trotter, Roading Network Planning Team Leader spoke to this report. Mr Trotter advised the Board that there was an error in the Report (IS-17-218) in paragraph 16 the times should read 8am – 4pm.

The Board noted it would have been useful to include the Appendix 1 of report IS-17-218 to refresh or acquaint themselves with the detail of the new car parking restrictions.

The Board agreed to add the additional sentence ‘With an amendment to facilitate use by Whakaringotai Marae during tangi and hui’ to the motion.

MOVED (Seamark/Westbury)

That the Waikanae Community Board recommend to Council to approve the further changes to car parking restrictions in Waikanae Town Centre in as set out in paragraphs 12, 17 and Appendix 1 of report IS-17-218. With an amendment to facilitate use by Whakarongotai Marae during tangi and hui.

WELCOME TO WAIKANAĒ SIGN POSITIONING (IS-17-258)

Michelle Parnell, Infrastructure Programme Delivery Manager spoke to this report. It seeks the Board to approve the position of the “Welcome to Waikanae Sign”.

The following points emerged from discussions:

- The Welcome to Waikanae sign process was worked through by the former Board and Mayor;
- Option 2 would require a Resource Consent and approval from NZTA;
- There needs to be a clear statement that Waikanae is still here and open for business;
- There is nowhere for signs from the Lions and Rotary to be placed and can this be looked into;
- Could the Board look at the option of not having the sign built.

MOVED (Scott/

The Waikanae Community Board support and approve Option 1. Installation of the new Welcome to Waikanae signage at the location of the current signage on the old SH1.

Lapsed for want of a seconder

MOVED (Westbury/Seamark)
