There have been ongoing discussions but a Friends Group is yet to be formally established. No funding has been allocated to the development of this Reserve.
29/7/14	Cleaning up/painting of Waikanae Bridge (over SH1)	Kiwirail will continue to clean off graffiti but have no plans to paint the bridge and abutments.
9/9/14	Beautification of Waikanae	The Community Board beautification work includes 2 distinct areas south of Waikanae and adjacent to NIMT. One area north east of the NIMT road bridge adjacent to the river corridor and the other south west of the NIMT road bridge adjacent to the rail corridor and Welcome to Waikanae sign. A Licence To Occupy (LTO) with KiwiRail for the north east area has been included in the project. The licence to occupy will then be renewed by council. Weed control, ground preparation and planting has been completed for the south west area over 2014 and 2015. The remaining money in the 2015/16 budget has been allocated for weed clearance and ground preparation for the North east site programmed for May/June 2016. Plant supply and planting will follow in July/August 2016 using the 2016/17 allocation of budget. Planting will be similar in scope to the southern area amenity planting along the State highway edge. Council has included budget in its annual plan for maintenance following project completion.
10/2/15	Resource Consent and Parking Issues around Rymans	Council's Traffic Engineer advised: "construction is now complete so we will now undertake parking surveys over the next few weeks to determine the level of staff and visitors parking on Parata Street". A further update will be given at the meeting.
10/2/15	Has there been any consent applications received by Council for a commercial building on the piece of land at 43 Te Moana Road, Waikanae?	The Council received objections regarding fees and Decision has been appealed to Environment Court.
