

KAPITI COAST DISTRICT COUNCIL
At Large (Districtwide)
Electing 5 Councillors

Mike CARDIFF

My principal place of residence is in the KAPITI COAST DISTRICT COUNCIL area.

A Kapiti Coast resident and ratepayer since 1975, manager of Councils Parks and Recreation Department for 30 years until 2009, a District Wide Councillor and accredited Resource

Management Act Commissioner for the last 6 years and currently the Deputy Mayor. This has provided experience and institutional knowledge that has enabled me to fairly represent the wider community as a District wide Councillor.

If re-elected I will continue to listen and support a democratic process that is held accountable. I will work to achieve the goals within our 20 year Long Term Plan. I am determined to continue to challenge unreasonable decisions and am committed to reducing expenditure wherever possible through constructive change and ensure financially sustainable progress.

Council must now focus on the economic benefits associated with this by providing the kind of leadership that promotes new business development and a sustainable future for our community.
