Electing 2 Board Members

Nu TARAMAI

My principal place of residence is not in the Waikanae Community Board area.

Kia Orana

My wife and I moved up to the Kapiti Coast in 1996 to start a family knowing that the area enjoyed warmer weather within close proximity

to the sea and mountain ranges

The area and the people certainly did not let us down, its' a location that we are extremely proud to be a part of, and as a result, I would like to be a part of its future by offering my skills in public speaking, my business background in Real Estate and culture being born in New Zealand of Cook Island descent.

My late mother Tuerei Taramai was very influential in representing her people, the Pacific Island people in Lower Hutt through the city council and I like to think that her inspiration may help me with the people of Kapiti, so its' time to give back.
