#### Submission:

1. The Parks, Open Space and Environment team are responsible for the management of over 100 parks, reserves and open spaces within the Kāpiti Coast District. Plan change 3 directly relates to the following parcels of land that are held by the Council and managed for recreational purposes.

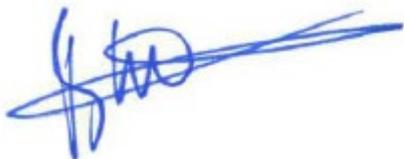

Property Name	Legal Description	Ownership	Land Status
Waimanu Lagoon	Lot 3 DP 71625	KCDC	Reserve held under the Reserves Act 1977. Vested as recreation reserve (unclassified)

Waimanu Lagoon Walkway	Lot 17 DP 72800	KCDC	Reserve held under the Reserves Act 1977. Vested as recreation reserve (unclassified)
------------------------	-----------------	------	---

2. Plan change 3 proposes that the Kārewarewa urupā be incorporated into schedule 9 of the District Plan (Sites and Areas of Significance to Māori).
3. The entirety of Lot 17 DP 72800 and a portion of Lot 3 DP 71625 are proposed to be included in the area shown on the District Plan maps as part of the Kārewarewa urupā.
4. Lot 17 DP 72800 and Lot 3 DP 71625 are part of a reserve know as Waimanu Lagoons. The Waimanu Lagoons Management Plans was prepared in July 2000 and acknowledges the cultural and historical significance of this area to Māori.
5. As the current kaitiaki of the land described above, the Parks, Open Space and Environment Team **support** plan change 3, as it relates to the reserve land managed by the Kāpiti Coast District Council, and the values of that land.

We do not wish to be heard in support of our submission.

We will not gain an advantage in trade competition through this submission.
