

KAPITI COAST DISTRICT COUNCIL
Ōtaki Community Board
Electing 4 Board Members

Marilyn STEVENS

My principal place of residence is in the Ōtaki Community Board area.

For the last triennium I have been Deputy Chair of Otaki Community Board and Chair of Tuesday Network Meetings. working hard to be the conduit between the ratepayers & our Council, I am a member of the Kapiti Health Advisory Committee, Waikanae Health Advocacy & Otaki Health & Wellbeing Committees which gives me an overview of the health system across the Kapiti Coast. Our mandate is to get more accessible & affordable healthcare throughout the Kapiti area, this has resulted in the 2 DHB's signing a Memorandum of Understanding, softening the boundary issues and Mid Central having a Locality Plan that is a real benefit to Otaki residents. I co-ordinate the lobby group working to review the flawed Business Case for the interchange that will ultimately benefit Te Horo-Te Horo Beach, Peka Peka & Waikanae residents. Mentor the junior Rotary Club at Otaki College encouraging social conscience in our youth.
