

Mayor and Councillors
COUNCIL

29 JUNE 2017

Meeting Status: **Public**

Purpose of Report: For Decision

AMENDMENTS TO THE COUNCIL DELEGATIONS TO CHIEF EXECUTIVE AND STAFF

PURPOSE OF REPORT

- 1 This report seeks Council's approval of amendments to the Council delegations to Chief Executive and Staff, including amendments to the delegations to staff who work under the Resource Management Act 1991.

DELEGATION

- 2 Council has the authority to consider this matter.
- 3 The delegations comply with the provisions of the Local Government Act 2002 (clause 32, schedule 7), which empowers the Council to consider an appropriate governance structure and associated delegations.
- 4 It also meets the requirements of section 10 of the Local Government Act 2002 which prescribes the purpose of local government.
- 5 The delegations will be available to be audited by Council's auditors EY as part of their scheduled audits.

BACKGROUND

- 6 The Council has certain statutory powers it can exercise and duties it must fulfil. Various statutes recognise that it is not efficient or practical for Elected Members to have to deal with every aspect of their functions, duties and powers.
- 7 Various Acts of Parliament provide the Council with the legal authority to delegate to officers. In particular, Council has the authority to delegate to officers under clause 32 of Schedule 7 of the Local Government Act 2002. Clause 32 also sets out certain powers that cannot be delegated as follows:

32. *Delegations—(1) Unless expressly provided otherwise in this Act, or in any other Act, for the purposes of efficiency and effectiveness in the conduct of a local authority's business, a local authority may delegate to a committee or other subordinate decision-making body, community board, or member or officer of the local authority any of its responsibilities, duties, or powers except—*

- (a) the power to make a rate; or
- (b) the power to make a bylaw; or
- (c) the power to borrow money, or purchase or dispose of assets, other than in accordance with the long-term plan; or
- (d) the power to adopt a long-term plan, annual plan, or annual report; or
- (e) the power to appoint a chief executive; or
- (f) the power to adopt policies required to be adopted and consulted on under this Act in association with the long-term plan or developed for the purpose of the local governance statement.
- (h) the power to adopt a remuneration and employment policy.

- 8 Delegated authority allows for administrative efficiency and ensures timeliness in the conduct of Council's daily business activities.
- 9 The majority of the Acts allow the Chief Executive (CE) the discretion to sub-delegate to council staff, provided they have the delegated power from the Council to further sub-delegate. However, some Acts prescribe the way delegations must be made. For example, the Resource Management Act 1991 (RMA 1991) does not allow the Chief Executive the power to sub-delegate.
