**Angela BUSWELL**

My principal place of residence is in the KAPITI COAST DISTRICT COUNCIL area. I am also standing for Mayor.

Teamwork, resilience and great customer focused service has been the key to my business success as founder of Minx Footwear and Superminx Stores.

I want to transfer these skills to the council table. I am open and collaborative. The insular, toxic culture dampening spirits, progress and growth in Kapiti needs to be broken down. We need a strong focus on facilitating growth for Kapiti and to do this the residential and business consent processes within council need to be streamlined. I want to see our business sector grow, reducing commuters. There must be order and transparency with KCDC finances so the 'spend' is easily traceable. Expressway connectivity to local roads has been left far too late and needs to be fast tracked for the safety and comfort of our residents. I want to inspire Kapiti Coasters to be proud to live, work and raise their families here!
