HEARING OF SUBMITTERS : COMMUNITY FACILITIES STRATEGY

Jill Stansfield, on behalf of the Kāpiti Older Persons' Council, spoke about the shortage of disability toilets and that the existing ones are not fit for purpose.

David Edwards, on behalf of the Paraparaumu Track and Field Club, spoke about the demand for a sub-regional artificial athletics track. There would be potential for increased participation in athletics and sports training in general giving all-year round training and hosting of events. A suggested site location for this track could be Paraparaumu College. The athletics track proposal is to offer the Council a debt-free fully funded facility in return for Council assuming the ongoing maintenance and upkeep.

Mr Edwards also spoke on his individual submission in support of the Paraparaumu Track and Field Club submission. By not having an all-weather athletic facility the district will lose hosting rights for domestic and international events due to the lack of this facility. Mr Edwards wanted Council's endorsement for the development of an all-weather athletics track at a location to be determined.

Bridget McKenzie, on behalf of the Te Ātiawa Courts Centre, spoke about how they are feeling under pressure with the current facility in terms of space. Sharing the facility with tennis has become increasingly challenging. They have run out of car parking space, court space, warm-up and cross over between the codes. The location of the BMX is something that needs to be looked at as the land could be used to enhance the facilities at Te Ātiawa Courts Centre.

Peter Ellis spoke on behalf of the Kapiti Running and Tri Club and his support of the proposal for an all-weather track in the district. The club supports the need to centralise sporting activities.

Mr Ellis also spoke to his individual submission saying Council needs to address the needs of the community for the next 10-20 years and he would support the proposal of constructing an artificial surface which would benefit the community. Mr Ellis' suggestion for an indoor facility was to lease the Placemakers building which was currently vacant.

Hilary Wooding spoke about the Te Newhanga Kapiti Community Centre. There has been significant changes in the way the centre has been managed. If the centre was to be renovated and reconfigured the centre would be able to cater for a wider range of groups. Ms Wooding supported the Mahara Gallery and its redevelopment.

Jan Nisbet, spoke on behalf of the Cycleway, Walkway and Bridleway (CWB) Advisory Group and the various sector representatives, suggesting a name-change for the cycle route. There was a need for a more comprehensive CWB map of the district with better signage and also map boards. The Kāpiti Coast is flat so the opportunities to create and market opportunities for disability accessible tracks should be addressed, specifically mentioning the access from Coastlands to the pedestrian crossing.

Cath Chittenden on behalf of Destination Waikanae outlining a concept of a Waikanae Community Hub that will unite the township to be more inclusive for the young and elderly to connect together to become more vibrant, fun and exciting. Ms Chittenden mentioned the Te Takere community model in Levin which could be replicated in Waikanae.

The meeting adjourned at 11.10 am and reconvened at 11.15 am.

COMMUNITY FACILITIES STRATEGY HEARING OF SUBMISSIONS (CS-17-215)

Max Pedersen, Acting Chief Executive, spoke to this report. All issues raised by the submitters at this meeting will be considered in the final report.

MOVED (Cardiff/Howson)

That the Strategy & Policy Committee notes:

- a) That 27 submissions have been received on the Community Facilities Strategy; and
- b) That nine people have asked to speak in support of submissions, two of whom will be speaking as individuals and also as representatives of community groups.

PUBLIC PLACES BYLAW AND THE POLICY ON TRADING IN PUBLIC PLACES – DECISIONS ON SUBMISSIONS (CS-17-220)

Ms Philippa Richardson, Project Manager, spoke to this report and the next steps in the process before being adopted by Council on 29 June.

The main points that emerged from discussions were:

MINUTES	MEETING	TIME
STRATEGY AND POLICY COMMITTEE	THURSDAY, 8 JUNE 2017	10.00 AM

- further discussion and clarification was sought on the freedom camping issues referencing the bylaw and the Act
- in terms of Section 11 of the Freedom Camping Act 2001 there are provisions for Councils to make bylaws
- Council does not have any powers under the Freedom Camping Act itself until such time as a bylaw is made
- an additional motion was proposed as noted below that staff will undertake a review of the current lack of a Freedom Camping Bylaw

MOVED (M Scott/Mayor Gurunathan)

That the Strategy and Policy Committee determines:

- **that no further changes need to be made to the draft 2017 Public Places Bylaw and Trading in Public Places Policy following consultation**
- **that the draft 2017 Public Places Bylaw and draft 2017 Trading in Public Places Policy (attached to report CS-17-220) be recommended to the Council for adoption**
- **that a bylaw is the most appropriate way to address the need for managing the safety and nuisance issues that can occur on public places**
- **that the Draft Kāpiti Coast District Council 2017 Public Places Bylaw (Appendix 2 to report CS-17-220) is the most appropriate form of bylaw and that there is no inconsistency with the New Zealand Bill of Rights Act 1990**

An additional motion was proposed:

- **that staff will undertake a review of the current lack of a Freedom Camping Bylaw and provide advice to Council on the preparation and potential adoption of such a Bylaw.**
