

KAPITI COAST DISTRICT COUNCIL
At Large (Districtwide)
Electing 5 Councillors

Angela BUSWELL

Independent

My principal place of residence is in the KAPITI COAST DISTRICT COUNCIL area.

It has been a privilege to serve my community since 2016. From helping bring Air Chathams to Kāpiti, progressing Otaraua Park and making the important decision to declare a local 'Climate

Emergency', I have been working hard to front-foot the important issues at the heart of Kāpiti and our community. Kāpiti is growing. To ensure we achieve the best outcomes for you and your family, the Council needs to deliver at a local level and advocate on your behalf at regional and national levels. As a Districtwide Councillor I have worked with many local community groups, residents and Councillors to ensure we get the best possible results for Kāpiti - our people and our environment.

With your support, over the next three years I will focus on delivering better infrastructure for our families, helping town centres thrive and grow, and looking after our beautiful, unique natural environment.
