**Request for Information under the Local Government Official Information and Meetings Act 1987 (the Act) (the LGOIMA)**

Thank you for your email of 30 April 2025 requesting the following information regarding the Council's review of its Freedom Camping By-Law:

- 1. The project brief and instructions, field plan and field results from the independent site assessment undertaken to observe and assess the sites selected/proposed by the By-law proposal. This should also include any work or reporting on sites which are not selected/proposed by the By-law proposal.***
- 2. The independent report of findings; this should include all available detail and related communications.***
- 3. A list of any other free space sites on Kapiti District Council land which were not included in the research and assessment. This should include the reason why they were not included.***
- 4. All internal communications on the selection and assessment of potential and/or proposed sites for freedom camping. This should include discussion notes, memos and meeting records.***
- 5. All communications from members of the public or other people outside of Council, related to the restriction/prohibition or problem of Freedom Camping on the Kapiti Coast.***
- 6. A record of complaints/service requests related to Freedom camping in all areas of Kapiti Coast District in the previous 3 years. This should include the substance of each complaint/service request and the resolution.***

*Please note that any information provided in response to your request may be published on the Council website, with your personal details removed.*

## **Response to questions 1 – 5**

As your request was very broad, we reached out to you to discuss your areas of interest. After initial discussion, Council understood that you are interested in considering material that underpins Council analysis, in advance of the 20 May 2025 Council Hearing on the proposed Freedom Camping Bylaw.

Given that subsequent discussions have occurred, I am noting the following to confirm steps we have since taken:

We provided the “Thrive Spaces and Places” Report noting that they are an independent parks and recreation specialist who undertook an initial assessment of land suitable for freedom camping across the district between February 5th-8th 2024. The Thrive assessment considered some areas that are not Council owned, as well as some Council reserves; both are beyond the primary scope of the proposed Freedom Camping Bylaw.

We advised that further work was necessary within Council to refine the options that formed the proposal for public feedback. Of note:

1. An additional assessment of Council sites from the report was undertaken – excluding reserves (which are managed under the Reserves Act), by Council officers considering the local use of sites having regard to the factors identified in the Act. The factors are the:
  - a. Area - known historic, cultural, and heritage significance, and ecological issues supporting the need for protection.
  - b. Access - including recreational and other uses and users of the area.
  - c. Health and safety - of all potential users of the area and associated activities.
2. Through that work, all sites that were identified and proposed to be restricted or prohibited were identified in Appendix B: Assessment of Sites of our Statement of Proposal. This alongside information on conditions for the use of proposed sites was provided in materials for feedback through consultation Appendix B - Site Assessments (117 KB) (pdf).
3. With the exception of five reserves which are identified for freedom camping in the current Policy, the suitability for any of Council’s reserves for freedom camping will be considered and included as part of the process to update reserve management plans under the Reserves Act 1977, which is currently underway.
  - a. Following receipt of the Thrive assessment you met with Hamish McGillivray, Manager Research and Policy, and Richard Hopkins Manager Environmental Standards on Wednesday 7 May 2025 to provide further details to your questions seeking clarification of the process for

- considering sites under the Freedom Camping Act across the district, including the Marine Parade site and other sites in the local Ōtaki area.
- b. At that discussion we explained the steps and complexity of the site assessment process as the Freedom Camping Act enables freedom camping with very few restrictions, and so there has to be clear reasoning for why freedom camping is not appropriate in line with legislative settings. The initial report by 'Thrive Spaces and Places' provided a broad analysis, which was then calibrated to ensure the legislative settings were appropriately assessed for Kāpiti.
  - c. Following that discussion we provided you a document '*Detailed analysis of potential restricted sites at Dec-24*' as an example of the work we did to demonstrate the iterative site assessment process Council officers have undertaken from the initial Thrive assessment to inform the proposed Freedom Camping Bylaw.
  - d. We also explained that the public consultation process and the input we receive to this process is an important element contributing to the decision-making of Council.

***Response to question 6: A record of complaints/service requests related to Freedom camping in all areas of Kapiti Coast District in the previous 3 years.***

On receiving the above information by email and by our phone conversation you identified you were satisfied with the information provided with regard to process and decision making. However, you identified you would still like to receive the complaints/ service requests related to freedom camping identified in your initial request.

Please find attached the service requests database printout of all queries regarding Freedom Camping over the last three years from May – April 2022 to 2025.

The personal details of some individuals have been withheld from the information provided. The decision to withhold this information is made under section 7(2)(a) of the Act which allows for Council to withhold information in order to protect the privacy of natural persons, including that of deceased natural persons. I am satisfied that the withholding of this information is not outweighed by public interest considerations in section 7(1) favouring release.

[REDACTED] we will keep you informed of when Council is due to consider final advice on the proposed bylaw, including any proposed changes, in adopting any final Freedom Camping Bylaw.

You have the right to request the Ombudsman to review this decision. Complaints can be sent by email to [info@ombudsman.parliament.nz](mailto:info@ombudsman.parliament.nz), or by post to The Ombudsman, PO Box 10152, Wellington 6143.

Ngā mihi,

**Kris Pervan**

| 2234052 | 24/11/2022 | Tutere Street, Waikanae Beach | Issue Location: Tutere Street, Waikanae Beach<br>Details: Parking is for 4 people at the Waikanae River Mouth and a 5th person has turned up and wont leave.  | Public Spaces Animal Mgmt | No contact details. given after hours so no attendance.<br>Camper has moved on  | 24/11/2022 |
| 2234320 | 28/11/2022 | Sims Road, Te Horo            | Old school caravan no windows has been parked at Sims Road beach car park for a week now....blue and white. Vehicle towing it is a station wagon - s 7(2), gray Subaru Imprezza. Not a freedom camping area   | Public Spaces Animal Mgmt | Confirmation and thanks received from comp  | 29/11/2022 |
| 2234569 | 30/11/2022 |                               | 2 campervans continuously park in the carpark behind s 7(2)(a) property (listed below). Believes they are freeom camping and this is quite frequent. Has been happening for over 2 weeks. Campervan s 7(2)(a) grey with a blue base is one that comes and goes often. The second campervan s 7(2)(a) - creamy white in colour, has been there for a while. Thank:   | Public Spaces Animal Mgmt | Campers have moved or Spoke to comp and bus owner   | 15/01/2023 |
| 2235133 | 06/12/2022 |                               | Caller is reporting that a bus van has been parked at the Waikanae Park, Park Avenue (where the croquet greens are). Has been there for over a week. White with green around the base. They have a car as well and they come and go.  | Public Spaces Animal Mgmt | Bus has now moved to freedom camping site   | 13/12/2022 |
| 2235313 | 08/12/2022 | Sims Road, Te Horo            | Received via email. Thu 8/12/2022 5:59 am Caravan @ Te Horo Beach (Sims Rd) carpark - FJS662 Hello There is a caravan and car back at Te Horo Beach (Sims Rd) carpark. This was called in a few weeks ago to KCDC (28.11.22) and the person has come and gone from this site over 3 times since 20th Nov. Car plate is s 7(2) (Subaru Imprezza). Obviously a few issues here - first and foremost the welfare of the person who appears to be living in their windowless? caravan and keen to discourage this behaviour at a non-free camping site that does not have any facilities. | Public Spaces Animal Mgmt | Camper is well known to KCDC and mvoes around   | 15/01/2023 |
| 2235677 | 13/12/2022 |                               | Thanks s 7(2)(a) Paraparaumu Domain has called and let us know that there are two buses that park there and regu arly move between the carparks, taking up space for people using the domain facilities. This came up earlier in the year also.<br>Thanks fro your help   | Public Spaces Animal Mgmt | Campers moved on before xmas and are continuing to float throughout the district<br>Spoke with s 7(2)(a)  | 15/01/2023 |
| 2235725 | 13/12/2022 |                               | Caller is reporting that a Subaru with a caravan on the back has been parking up over the past couple of weeks on and off. Parking on Simms Road and Sea Road (Te Horo beach access of Sims Road) s 7(2)(a)   | Public Spaces Animal Mgmt | Confirmed to keep calling it in and advised we will look to take the next steps<br>Advised realistically at this stage we cannot do much, we are aware and have forwarded onto police | 13/12/2022 |

s 7(2)(a) phoned to report two vehicles - (occupied by the same two people) outside the gates of the Otaihangā Park, Description of the vehicles- Yellow car and white van, both the people look like they are sleeping in their vehicles, they have been doing burn outs, and urinating in a public area. s 7(2)(a) reported this to the police also through the 105 number. They have been there for the past few nights now.

\*\*Unfortunately, s 7(2)(a) didn't have any further information on the vehicles\*\*

Spoke to s

Advised we are recruiting some freedom camping to help out over the summer

Advised we noticed it was busier today all the other sites were empty - Advised they all like to hide from the wind some times

Carpark/Reserve, Waimeha Stream, North Waikanae Beach today there were 6 campervans, although there are only spaces for 2. This is an ongoing situation. Can this area please be monitored more regularly over the summer please?

 Name/Number: s 7(2)(a)

Issue Location: Waimea Road, Waikanae Beach  
 Details: Customer has come through on Facebook with the following FYI. There is a motorhome parked at the Waikanae Boating Club carpark Waimea entrance that has discharged his disgusting smelly waste water into the carpark. It has run right across the carpark. Not a thing you want to encounter on a sunny day at the beach. Did I say it was disgusting and smelly? We are sitting here trying to eat our lunch. We won't be staying long! Thank you. The number of the vehicle is s 7(2)(a). You are probably familiar with it! A Mitsubishi. We see it there often.

Caller contact number: s 7(2)(a)

Received via email. Tue 3/01/2023 9:59 pm More public urination on Lancelot Grove See email attached.

Received via email. Tue 3/01/2023 4:25 pm Freedom camping Please have your monitors check out the car park at William Street, Waikanae bus stop. There is a long term bus set up there s 7(2)(a)  
The KCDC regulations do not allow overnight camping!

Received via email. Mon 2/01/2023 2:19 pm Car and Caravan parked on Peka Peka Beach @ Te Kowhai Stream Hello, I've noticed a car and caravan parked on Peka Peka Beach at the mouth of Te Kowhai Stream (north end of the beach) for the past 3 days. Earlier the same car and caravan was parked south of the Peka Peka beach entrance. I understand it is not legal to camp and live on the beach for long periods. I am concerned about where he may be disposing of his toilet waste. The car registration is s 7(2)(a).

Regards  
s 7(2)(a)

3 camper vans and a small van were parked up southern Waimanu Lagoon at the end of Tutere Street, Waikanae Beach. This is a regular occurrence and maybe we can patrol round there more often when all staff are back.

Spoke to s 7(2)(a)

He has advised someone was in touch yesterday and unfortunatley no where for him to go.

Advised to get Motorhome back upto scratch otherwise we will issue it with a notice to remove from road

Going in wof next week

Advised someone will follow it up next month

| 2302121 | 25/01/2023 | **Received via email from the customer, § 7(2)(a) . M advised for this to be assigned to § 7(2)(a) please** Caller feels that someone is peeping into his house bus every morning and he thinks this is very intimidating and not nice. He dreads the KCDC staff member coming over every morning. It makes him feel He agrees there needs to be some regular routines as he understands there is some freedom campers that do not abide by the rules but he is picking up after those freedom campers and cleaning up but then he is made to feel like he is looked upon like it isn't okay by the KCDC white van that comes down with the note pad everyday.<br>He also advised that every night for at least 6 months there has been one camper who has not moved on and locals have been told by council representatives there is nothing they can do about it.<br>So he is asking if nothing can be done then why are things recorded.<br>Caller would appreciate a call back form the bylaws team as he feels there may be better ways than making people feel uncomfortable | Public Spaces Animal Mgmt | Reviewed and added in informaiton wher CC put this in to Vault                          | 07/03/2023 |

\*\*Received via email from the customer, this has been attached to the SR\*\* Dear Sir/Madam, For some time now a man has been parking his house bus intermittently in the car park at the Te Moana Road entrance to Mazengarb Reserve. He appears to be living in the bus, and staying overnight at the car park.

This does not much affect me, except that he has a dog that is prone to barking.

Tonight, though, the dog has been barking a lot. When I went round to investigate, I found that the occupant was not there, and that the dog was boarded up in the rear of the vehicle. The driver's side window was partially open, but I imagine that it was very warm in the back, where there were no open windows. ....

Email received with photos. See attached for full message. 25/1/23. 9.51pm. Wanting to highlight to Kapiti Coast District Council the growing numbers of freedom campers at Raumati / Paraparaumu beach.

Appreciate it is summer / holiday time, however the area is getting overcrowded and essentially leaving little or no space for other residents (local ratepayers) to enjoy. Attached some photos I took this evening (25 January 2023) when out for a bike ride. Note your sign permits for a maximum of three (3) vehicles, however at a glance there were at least seven (7) vehicles camping. Several vehicles did not have current WOF / registration and also had a lot of rubbish around them / overflowing the nearby bins.

2302308 26/01/2023

Manly Street,  
Paraparaumu  
Beach

Further along in Marine Parade in Paraparaumu Beach on Sunday 22 January I noted there is signage for only two (2) vehicles, although there was five (5) vehicles in the area

s 7(2)(a) who has been living in his campervan s 7(2)(a) well known to KCDC and the Locals). He is the result of at least 16 SRs (Freedom camping, health nuisance etc). He was set up and cycling through the Freedom Camping sites in Paraparaumu for 2 years until he was recently assaulted and upon advice of the police to move to on, he then setup camp at the end off Waimea Road at the Freedom Camping site and was living there for the last 6 months.

Motorhome is broken down and no longer operable and he crashed his other car so was no longer able to work or get around.

Setting up SR to track and record result

s 7(2)(a) was introduced to local Housing Navigator

|---------|------------|--|--|---------------------------|---|------------|

Email received. 4/2/23. 5.52pm. As Paraparaumu/Raumati Beach residents I would like to lay a complaint re Freedom Campers s 7(2)(a). We went out for local Fish and Chips, took them down to the beach to eat them. BUT were yelled at by a visiting Camper Van owner for making too much noise as the seagulls were flying around. They were one of many Camper vans packed illegally as the sign at the packing lot states 2 Freedom Campers and there was 6 packed in each carpark. In fact one Camper van had been parked there all week. It is getting to the stage that us locals can no longer go to our beach for local Fish and Chips or even just to park.

Something needs to be addressed they never take any notice of the signage, leave rubbish behind and are now abusing the locals

| 2310767 | 13/04/2023 | Parking lot down marine parade s 7(2)(a) marine parade has 8 camper vans parked in the lot. Can we please take a look Thank you   | Public Spaces Animal Mgmt | DE called comp. Thanked her for informing us of issue. DE explained that unfortunately at this time we cannot enforce anything until Govt. has updated FC laws, so then KCDC can create bylaw. At that point we will be able to enforce. DE said although we cannot action anything at present, the SR's/information provided by callers is valuable so once we come to create bylaw we have good data. No further action | 17/04/2023 |
| 2311294 | 19/04/2023 | s 7(2)(a) said to the freedom camping ambassador who was checking the area not too long ago that there's a van with the keys in the door s 7(2)(a) approached the van and called out to them to let the owners know but there was no answer. She also mentioned all the windows are down. She is concerned about the owners and hoping we can check it. REGO: s 7(2)(a). This is the freedom camping area in Raumatī Beach, seaside carpark | Public Spaces Animal Mgmt | DE talked with RM. RM didn't see anything of concern on her rounds. DE called comp. No answer left message. Thanked comp for call. DE said this vehicle/occupant is on our radar as they are regulars around the district. DE reiterated that our FC Ambassador checked site and all was well. No issues detected. DE thanked caller for information. No further action   | 20/04/2023 |
| 2311865 | 25/04/2023 | There are illegal campers by the Waimanu Lagoons. They are Left past the flood gates , then Left again. there is a large Blue tent and 2 vehicles.  | Public Spaces Animal Mgmt | RM attended, they were just setting up for the afternoon then moving on, having a family day at the lagoon  | 25/04/2023 |
| 2311906 | 26/04/2023 | A new RFS 1364114 has been added with the following details: We have recorded the following information: RFS Started: 25-Apr-2023 11:28 Call In: 1128 Duty Officer Contacted? Spoke to Officer Name/Number: s 7(2)(a)<br><br>Issue Location: Tutere Street, Waikanae Beach<br>Details: There are illegal campers by the Waimanu Lagoons. They are left past the flood gates, then left again. There is a large blue tent with 2 vehicles.   | Public Spaces Animal Mgmt | DE called comp. Thanked her for call. Comp sending through picture of issue. DE will file that in 'FC upgrades' adding to draft proposal evidence. DE and DG looked at site this morning. No evidence of tents/campers/rubbish etc. Will continue monitoring and filing photo evidence of this site, as we get many SR's for Tutere Lagoon site.  | 26/04/2023 |

Received via email. Thu 6/07/2023 7:24 pm Dumping of waste ref#1382526 Hi, I am at the estuary Waikanae River and these dirty people in this camper dumper their waste all over the parking area, just opened it and let it run.  
This is disgraceful behaviour and I hope they are fined.  
Please can you kindly confirm action taken. They are parked between two signs that clearly state the rules.  
I look forward to hearing from you.  
Kind regards  
§ 7(2)(a)

\*\*Received Via Email\*\*Wed 9/08/2023 9:02 am Good morning, I had a look at the website but wasn't sure who to contact so hopefully you can help or point me in the right direction.

We live in the 7(2)(a) Privacy area and since Friday last week there has been a large bus and a car parked up on the grass close to the main entrance of King Arthur Drive by the main Camelot sign. The bus has not moved in the last 5-6 days but the car seems to come and go but over night all parked up together. It certainly looks like they are living in the bus. But obviously we are not sure about it. Wondering if they are there because now the park at the end of King Arthur now is locked up at night. Or if there is just another reason!

|---------|------------|----------------------------|---|--|--|------------|
| 2333659 | 29/11/2023 | Marine Parade, Paraparaumu | s 7(2)(a) (Sewer / Stormwater Supervisor) was approached by s 7(2)(a) a homeless person sleeping in the dunes at Paraparaumu Beach. s 7(2)(a) rang me approx 6pm looking for assistance. I tried to contact s 7(2)(a) the Rehousing Advocate but could not get hold of her, he rang Womens Refuge etc and Police, could not find any assistance, he gave her food and water   | Climate Action & Connected Communities | Unfortunately contact with the Rapid Rehousing Advocate has ceased, unsure as to current location and status | 12/12/2023 |
| 2333733 | 30/11/2023 |                            | s 7(2)(a) left a voicemail to say that someone is living rough on the beach in the freedom camping area by the river mouth + a couple of the vans there have been parked up several days. She would like us to inspect.   | Public Spaces Animal Mgmt              | DP had visited site twice and no one spotted. Tent people have moved on so could have been there. NFAR. DP.  | 01/12/2023 |
| 2334005 | 04/12/2023 | Marine Parade, Paraparaumu | <p>**Received Via Email** Sat 2/12/2023 6:59 PM Whom it may concern Freedom Camping has started along Marine Parade, Paraparaumu. I see that the Council has two signs in each car park now allocated for Freedom Campers. Excellent! Except the Freedom Campers can't seem to read or are unable to see the signs due to vans being parked in front of them. Last night 6pm there was 7 Freedom Camper Vans in section one and 7 in section two and some also have an extra car parked beside them taking up more space. This is not on as it is limiting space for the locals. And with Christmas holidays not far away could you please try and monitor these areas to just two vehicles in each park as per your signs. Maybe a large sign at the entrance to the car park would help. Why should the Freedom Campers take up all the best spots on Marine Parade? Start charging them on a per night basis!! One Camper van plus his red car also seems to park there permanently too all year.</p> <p>Please take action to this problem before summer really kicks in!</p> | Public Spaces Animal Mgmt              | DE emailed comp. Will continue monitoring issue along Marie Parade, Paraparaumu                              | 05/12/2023 |

|         |            |                           |  |  |   |            |
|---------|------------|---------------------------|--|--|---|------------|
| 2334843 | 11/12/2023 |                           | <p>s t (a) phoned to complain about interactions he has had with our officer while he has been out in his housebus. His bus is his home, as well as being his vehicle. He has been spoken to by an officer twice recently. Once when he was parked at Paraparaumu Beach and another when he was parked at Waikanae reserve. He was not camping overnight either time and felt he had parked respectfully in both instances. At Waikanae he pointed out another person sleeping in their car who the officer chose not to speak to. He felt singled out by this because he was in a bus. He asked for his complaint to be recorded</p>  | Public Spaces Animal Mgmt              | <p>DE came across comp again 11/12/2023 at Waimanu Lagoon carpark 12:17pm. Comp was parked at left of entrance on grassed area beside bollards. His belongings were spread out over the grassed area and dog was running loose in dog on-leash Scientific Reserve. DE politely approached comp and firstly explained it was a dog on-lead area. Comp apologised and retrieved dog. DE then asked if comp was intending to stay overnight. Comp said he wasn't and told DE about his living arrangements i.e is PTL, stopping at local FC sites during day. Comp then apologised to DE for swearing at her 8/12/2023. DE thanked comp for apology. Comp wanted to shake hands; DE declined for safety reasons. Comp then called DE</p> | 12/12/2023 |
| 2334992 | 12/12/2023 |                           | <p>s 7 (a) has been in to Otaki Sc to report issues with freedom campers at the Otaki River Mouth . She has reported this in the past and there has been no improvement to date . refer s/r 2327301, Last night she says there were at least 8-10 cars using the spot and these were not self contained . She was woken up at about 3am by a large bonfire on the beach that the campers had started which caused her house to fill with smoke . She says the beach is starting to look really messy as rubbish is left and drift wood burned . I advised to call fire and emergency if there are fire issues as beach fires do require a permit . She will do this but would like there to be more regular monitoring of the area and campers to people to be moved on when necessary . she is concerned that this will get worse over the summer and holiday period . Please call or email to discuss.</p> | Public Spaces Animal Mgmt              | <p>DE sent email to comp thanking her for enquiry. Explained officers are increasing monitoring and enforcement of all FC sites during summer. Reiterated that comp should call fire department if it were to happen again. De stated she has contacted district fire department requesting data around that location and will add to document supporting changes to that site. Will continue monitoring and enforcing rules around that site.</p>  | 13/12/2023 |
| 2335465 | 18/12/2023 | Riwai Street, Paraparaumu | <p>Please see email attached, a sleeper behind the Watertower at the top of Riwai Street. The person is defecating on Council property.</p>  | Climate Action & Connected Communities | <p>after three visits CP has confirmed no sign of s 7 (a), CP advised he will request clean up of the area therefore closing SF</p>   | 24/01/2024 |

|         |            |                           |   |                           |   |            |
|---------|------------|---------------------------|---|---------------------------|---|------------|
| 2335779 | 20/12/2023 | Riwai Street, Paraparaumu | <p>There is a tent and people living up behind the water tower up the hill from Riwai Street. They are also using the area as a toilet and it is very stinky. Can we please move them on and clean up the area.</p> <p>RFS 1437461 RFS Started: 24-Dec-2023 15:16 Call In: 1211 Duty Officer Contacted? Spoke to Officer Name: s 7(2)(a)</p> <p>Issue Location: Atkinson Avenue, Otaki Beach<br/>Details: s 7(2)(a) has sent a PM advising that there are a large number of people camping in the freedom camping area along Otaki Beach that do not meet the responsible camper standards (not self contained).</p> <p><a href="https://www.facebook.com/latest/inbox/all?asset_id=700679639984258&amp;business_id=187235765267805&amp;mailbox_id=700679639984258&amp;selected_item_id=100009318054939">https://www.facebook.com/latest/inbox/all?asset_id=700679639984258&amp;business_id=187235765267805&amp;mailbox_id=700679639984258&amp;selected_item_id=100009318054939</a></p> | Public Spaces Animal Mgmt | <p>No further reports of the issue. NFAR at this stage and happy to pick it back up if the issue arises again</p>   | 31/01/2024 |
| 2336135 | 23/12/2023 | Marine Parade, Otaki      |   | Public Spaces Animal Mgmt | <p>DE has resumed regular monitoring after xmas break and is communicating with each camper re this issue and time limits. Most are compliant, others not. DE will continue monitoring and enforcing these ongoing, chronic issues at this site.</p>  | 08/01/2024 |
| 2336268 | 03/01/2024 | Kapiti Lane, Otaki        | <p>s 7(2)(a) reports that there is an excess of freedom campers at the Otaki Beach river mouth . She advised a couple of nights ago that there were at least 35 vehicles . Still a lot there now and who have been there at least 3 nights in a row . She thinks there are at least 3 that are not self contained including a van a tent and pop up caravan . Could this be addressed . also refer s/r 2336247 re the motorbike issue</p>   | Public Spaces Animal Mgmt | <p>DP spoke with COMP and COMP happy with explanation and more concerned about the bikes on the beach than the freedom camping issues. NFAR on this SR.</p>   | 04/01/2024 |
| 2401160 | 04/01/2024 |                           | <p>s 7(2)(a) takes his dog to the dog park in Aotaki Street Otaki, he said the guy camping in his caravan at the carpark entrance to the park has been there for about 5 weeks he is very concerned as he said that there is a lot of unsavoury people visiting him and he can smell cannabis etc. He said this is public land and feels people safety should not be jeopardised when they are entering and exiting the park</p>  | Compliance Services       | <p>spoke to caller and informed him AMO's visited this morning.<br/>PR to discuss with CP (return Monday 08/01/2024).</p>   | 04/01/2024 |
| 2401190 | 04/01/2024 |                           | <p>s 7(2)(a) says there are more than 6 campervans (approx 40) at the Freedom Camping area at the Otaki River mouth. There are also a lot of people camping in tents. Is this allowed? Please follow up. Thanks.</p>  | Public Spaces Animal Mgmt | <p>This SR closed. Refer SR 2335986</p> <p>DE called comp. Left message explaining councils focus on that site, current situation of only having a policy giving us no power to enforce rules, policy review process/bylaw. Reiterated council are actively looking at this site and will be looking to make improvements through review/bylaw.</p> | 09/01/2024 |

Not applicable<br>Name/Number: (Unknown) Issue Location: Marine Parade, Otaki Beach<br>Details: Approx 50 vehicles, vans, camper vans, caravans and many not self contained are parked up at the Otaki beach river mouth parking area | Public Spaces Animal Mgmt | DE called comp. text her my email address so she can send me pics. DE encouraged her to compile submission for policy review and she will email it to me. Comp very upset at disrespect of the river mouth, esp the fishing....no signage, no rules (it seems), no regulations. Comp stated lots of people come from Porirua, Levin, large Pilipino community come to river mouth and take large quantities of fish. Comp lived in Otaki 40 years and said this incident is the worst she's seen in regard to number of vehicles. DE will forward her email submission to policy team to add in. | 24/01/2024 |

08/02/2024

\*\*Received Via Email\*\* Mon 12/02/2024 6:50 am Hi, I am writing in regard to the illegal bylaw parking of a motorhome/caravan which is only meant to be 7 days. This caravan in the attached picture has been parked like this for over 4 weeks now and doesn't look to be moved anytime soon as it has a chain around the wheel.

It is situated just after the busy intersection of Ngarara Road and Belvedere Ave, Waikanae. Obviously, that is the Waikanae pool end and gets very busy there.

It is also the bus route which is where I noticed how the busses pull into Belvedere from Ngarara and all of a sudden have to pull over the centre line a lot to pass which in turn is a corner, so oncoming traffic have to stop abruptly.

Hopefully one of our council workers can pop by and just make them aware of the bylaw as now school is starting. Too and gets even more busy here.

s 7(2)(a)

The caravan has its awning out car parked bbq etc and has been there for days</p> | Public Spaces Animal<br>Mgmt | <p>DE called comp. Explained background of person/caravan in question § 7(2)(a) i.e. council have been working with occupant for over a year, offered as much assistance as we can to get into permanent housing, and has been unwilling. DE also explained issue around only having : Policy i.e. no enforcement capabilities, that we are currently in Policy Review process leading to Bylaw that will provide this enforcement framework. Currently have 'no teeth' so to speak. De reiterated council are actively working with Police toward a solution. In progress. Comp appreciated the call and explanation</p> | 15/04/2024 |

A new RFS 1472618 has been added with the following details: RFS Started: 14-Apr-2024 8:16

Call In: 0815 Duty Officer Contacted? Spoke to Officer Name/Number: s 7(2)(a)

Darren

Issue Location: s 7(2)(a) Aotaki Street, Otaki

Details: House bus has been there approximately 24 hours. Has been moved on before but is back. Couldn't see the number plate as there was a bike rack in the way.

Caller has requested if a little gate can please be put up at the street side of the alleyway to discourage this and others as she's having too many issues now.

Phoned s 7(2)(a) but he said s 7(2)(a) is the on-call person and it'd be better sent through than called out.

Two campervans, parked s 7(2)(a) Field Way, Waikanae Beach, at the Freedom Camping area. They have stayed longer than the one night permitted. They are parked there now. s 7(2)(a) does not know the Reg Numbers.

DE spoke with comp. Lives directly s 7(2)(a) s 7(2)(a)

so sees a lot of what is going on there.

Comp

spoke of s 7(2) his friend group being

anti-social and at night doing burnouts and drags

along marine parade. DE told comp

KCDC are

actively working on removing s 7(2)(a) and his vehicles

as fast as possible, and that KCDC are working

with police on this matter. DE told comp to call

police if/when this happens and that police are

aware of s 7(2)(a). DE asked comp to call in any other

issues so we can add to the file. NFA (at this

point)

s 7(2)(a) wants to be anonymous. There is a man and his girlfriend living in an old caravan on Marine Parade in the first carpark heading north. They left for a week but have since returned with an old sailboat to add to their collection. They are antisocial, lots of noise and car related stuff (skids, burnouts etc) Can they be moved on.

| 2422095 | 18/07/2024 | <p>Hello A quick note to tell you there seems to be a person living in their bus/truck on the side of the Expressway. The exact location is at the end of Jim Winata Way, off School Road, on the eastern side of the over-bridge at Te Horo ie the road past the historic kilns. I encountered a woman last weekend as I was exercising on the cycleway between Otaki Forks Road and Te Horo and her dog was roaming free and approached me which was quite intimidating. She said it was safe and I said it really should be on a lead and she got abusive. This is not right - lots of people cycle and walk on this track and we shouldn't have to feel threatened and intimidated. Her bus/truck is cream and green and she had a silver Audi parked beside it. Please get her and her dog moved. Thank you.</p> <p>[REDACTED] would like a call back please to discuss where we sit regarding the Freedom Camping act. Apparently, a few of his members were "harassed" by a security company who were acting on behalf of us and they would like some clear understanding of Freedom camping vs overnight anglin or casting.</p> | Public Spaces Animal Mgmt              | Signing off as linked SR is dealing with current issue of unregistered dog. Will reopen if any further issues arise regarding vehicles | 25/07/2024 |
| 2422340 | 22/07/2024 | <p>Kia Ora. dear Madam. dear Sir. [REDACTED]</p> <p>[REDACTED]</p> <p>Our idea is to buy a caravan trailer with 4 berths and to set up the caravan all year round on a camping site. We ourselves plan to stay in the caravan only for a few weeks the year. [REDACTED] would check it irregularly if everything is fine. For the rest of the year our Wellington family is expected to use it for their own purposes i.e. weekends or short term holidays. Our question is, whether your camping sites offers the possibility of a permanent stay of a caravan. Of course we are also interested in the preconditions or regulations such as fees and costs. In case of a negative answer, I kindly ask for some hints what camping sites at the Kapiti Coast offer this possibility</p> <p>Could you help with finding accommodation as we have to be out of [REDACTED] by August the 8th as they are dividing our unit now into two, and we can't stay there as a couple. We are not 65 plus so do not qualify for a council house. We really don't know where to go from here. We both have medical issues as well</p>              | Public Spaces Animal Mgmt              | Correspondence uploaded. NF/   | 31/07/2024 |

Description

There has been a temporary camper at the end of James Hiniataplace(past Smisek Kilns)for some months. The collection of detritus around the camper is increasing and I'm also worried about walking past here on the shared pathway. Is this legal to be there permanently?

Emailed: Tue 1/10/2024 10:08 am Hi KCDC, This camping truck has been parked at the southern end of the Otaki Beach carpark for several days. The owner has built a deck out onto the sand dune so it looks as though he intends to stay for a while.

I don't think that overnight/multi-night camping is allowed there as there are no ablutions nearby.

For your information and possible action.

Kind regards,

s 7(2)(a)

Public Spaces Animal  
Mgmt

I have emailed the comp and informed him that i made a visit this morning and spoke with the person running/overseeing it. I have attached this SR to SR 2429482. I have spoken to CP and informed of this. I have taken photos and will attach them to SR 2429482.

01/10/2024

and I am a resident of Otaki whose family moved to this town in 2010 to immerse ourselves in our culture. I have since learned to love many aspects of our small town and am wanting to share this beauty with my family and friends. We are country people who enjoy primitive camping and although you have a very well detailed page about sustainable camping on your site, I am unsure as to whether or not there are any spots around here that are open to backcountry camping. I have just driven around the river and the beach here in Otaki looking for any kind of grass to pitch a tent on however, after speaking to the locals they have informed me that primitive camping is not allowed.

I would just like to know if this is true? And if not, what might I be able to camp instead?

Public Spaces Animal  
Mgmt

No response from comp. Email was sent NFAR. Went to the area and spoke with the campers. They are moving today (this afternoon).

07/10/2024

There is a caravan, parked by the seat and lookout off Kaptii Lane, Otaki Beach. It has been there for two days and nights. s 7(2)(a) didn't get the Registration number.

Good morning, We have a black car and trailer that has been parked every day/night on taki Beach for the past 2 weeks. The vehicle does move from time to time during the day but returns in the evening. We also continue to see vehicles camping on the beach who do not meet the freedom camping criteria. With summer coming and the signage being non existent around the rules, it's going to be disappointing to see the environment being compromised.  
We are also aware that readable signage around bikes on the beach still hasn't been displayed. It is your responsibility to keep this beach and its surrounding areas safe.

Thank you.

Compliance Services Unable to be locate the people responsible

14/01/2025

Emailed: Tue 1/7/2025 10:40 AM Hi guys, Well, we are still waiting for adequate signage around freedom camping and around bikes on the beach.

We have noticed a large number of cars/people movers camping on the beach; none of which are certified with even the blue sticker. There is a semi permanent resident with a black 4wd and a covered trailer on the beach at the moment. He leaves for a day and then returns and camps in the long grass.

To top it off, visitors to the beach were unable to swim in the estuary last week because of faeces and dirty nappies floating in the water. This is unacceptable to anyone.

Please advise what may be done to rectify this.

RH + PR on site at callers property to discuss callers concerns.

2501090 07/01/2025

Kind regards,

\*Received by email\* I have got the below enquiry which I wish you can answer. This weekend, me and my friends have been to Paraparaumu Beach and found there is a freedom camping parking for self-contained vehicles. Our understanding is that all cars can be parked in this parking during the day and only self contained vehicles can park there overnight. However there is another person said we shouldn't be parking in that spot. We searched online and can only find the information saying who can stay overnight and use this freedom camping carpark but doesn't say that ONLY self-contained vehicle can park in that spot.

Can you please confirm which is right? Can normal vehicles park in that spot during the day? Or is that freedom carpark spot is only for campervans?

Much appreciated if you can please answer this thanks

Public Spaces Animal  
Mgmt

Email sent confirming that any car can park there during the day.

looked but nobody seen, could be that they move every morning or are not camping and just walking the dog in the early morning

10/02/2025

Not sure if the council ever patrols for illegal freedom campers but whilst walking the dog early mornings in Paekakariki I have noticed more than 10 vans parked up along the sea front every day that have clearly been there all night. Many of the vans are not self contained which creates some alarm bells. We have a massive problem with wandering dogs and lots of dog mess but some of the mess on the beach walkway I have seen on my walks look far too big to have come from a dog. My rates are high in Paekakariki but the services seem to be focussed mostly around Paraparaumu. Please can you be more present in Paekakariki for illegal freedom campers and bad dog owners. Thanks

Will monitor the aera and speak to  
anyone we come  
cross

24/02/2025

2506697 24/02/2025

Good afternoon s 7(2)(a),

The previously allocated freedom  
camping spots  
have been removed, including signage  
as it was  
uncovered to be WGRC responsibility,  
not KCDC.  
The part of the beach where most  
campers stay (on  
the shingle) has been designated LINZ  
(Crown)  
land, they will decide on the outcome of  
that  
parcel of land in their own time.

If you observe illegal or antisocial  
behaviour or  
fires etc, please call 111

KCDC will continue to monitor and patrol  
the area  
and will take appropriate measures when  
necessary.

Regards

Paraparaumu

s 7(2)(a) are very concerned about the amount of people freedom camping at Otaki Beach.  
On Saturday (22/2/25) they counted 31 different groups that were there all weekend. Sometimes it  
is more. They are camping from the south end of Marine Parade down to the river but they have  
now noticed some groups are heading north  
and camping in the sand dunes. They spoke to a  
couple of people but these people said there were  
no signs telling them they could not camp there.  
They can provide photos if you require these

Email: Wed 3/5/2025 4:26 PM Good afternoon Not sure who we approach here but there is a young lady living in her car in the cul de sac by the park. She has been there for months. During that time she has abused the neighbour's with swearing and threatening behavior. Lately she is using the street as the toilet.

I do feel for her as there seems to be mental health issues, but also she is so very vulnerable by being on her own in a car. Especially when she is out of the car in the middle of the night when she has her episodes.

s 7(2)(a)

are absolutely petrified from the behaviour, and the not knowing what she is going to do next.

I don't want anyone to be hurt in this scenario but it seems something is going to happen one way or the other.

Thanks and look forward to a solution

Public Spaces Animal

| 2508947 | 12/03/2025 | Reference AR2503171603 Submitted on Wed 12 Mar 2025 2:48 PM Location <a href="https://www.google.com/maps/search/?api=1&amp;query=-40.9176773711773,174.97817894758">https://www.google.com/maps/search/?api=1&amp;query=-40.9176773711773,174.97817894758</a> Lat/Long: -40.91768, 174.97818 s 7(2)(a) Matatua Rd, Paraparaumu, Wellington 5032) Description A woman has been living in a blue stauomwagon at marine gardens for years. I am advised she gas refused help and gas chosen to live in her car illegally. She gas done so with impunity for years and has attracted other illegal squatters. Her reg no is s 7(2)(a) and she is well know to council staff who to date have not forced her to move on. Now a woman in a swift reg s 7(2)(a) 8 is living in her car illegally nearby along with a van s 7(2)(a). I object to paying \$7k in rates to walk through a squatter camp to get to the beach. It's also a health and safety issue and degrades the area for public use. I have made complaints to the council via the web site | Public Spaces Animal Mgmt              | Incidents and SR's forwarded to s 7(2)(a) for his awareness and potential follow-up                | 17/03/2025 |

Location: Opposite the campervan car park near The Avenue on the bank of the river near the tusk/ grass on the sea side. There are people who park up in vans over night who poop on the ground and cover it with toilet paper and wet wipes. Caller said there must be between 200- 300 poops on the ground done by humans.

Caller said he walks his dogs and has to stop his dogs from eating it, needing council to please sort this out.

Sending to PSAMO as freedom camping as im also unsure what team would clean this up, please let me know if I need to reassign the SR

Please pass this on to who ever deals with beach matters. I wish to advise you of an incident at our beach that was upsetting yesterday. I live at Peka Peka beach and walk our dog daily along the beach. Yesterday at the end of the walk he suddenly got a whiff of something and dashed up into the dunes near the entrance. I am sad to say when he came out his head and neck and collar was well covered with human faeces. It was disgusting and he had done a thorough job! This also happened a year ago in summer with our dog and our neighbour's dog as well. I have noticed vans there recently that look as though people are staying overnight.... and did wonder where they do their toileting! ? It's obvious where they leave their rubbish. Who is supposed to police our beach? I am concerned that our beach is being spoilt with the camping and associated problems and the traffic going too fast and many motorbikes on the beach that shouldn't be there at all. Our lovely beach is changing for the worse.

| 2511881 | 07/04/2025 | <p>RE: Red Ute <span>§ 7(2)(a)</span> with its Portable Home <span>§ 7(2)(a)</span> parked in an area off Old State Highway 1 Paraparaumu. These vehicles were parked on the Western side in what was the old Commercial site for Big Tex near the on ramp to the Expressway for approximately a couple of weeks, and I was pleased to see that they had finally been moved on and a private property sign put up. But, within a day his home and vehicle are now parked on the Eastern side of the road, and have been there for approximately one week. When passing during hours of darkness it has not lights visible on either the Home or Vehicle, which is surely a hazard to public safety / traffic on that stretch of road. All this is within a 80kph speed limit, so I was wondering how legal it is to set up home on a public highway??</p> | Climate Action & Connected Communities | <p>Visited <span>§ 7(2)(a)</span> gathered details of current situation (refer to emails saved), referral made and accepted by Atareira Mental Health Support</p> <p>Arrangements made with <span>§ 7(2)(a)</span> to contact the reporter to update</p> | 08/04/2025 |

RAUMATI MARINE GARDENS, RAUMATI BEACH

Raumati Marine Gardens (CURRENT SITE)

| Site Description  | Scoring Matrix and Recommendations  | Photos |       |        |       |   |   |   |   |      |
|---|---|--------|-------|--------|-------|---|---|---|---|------|
| <p>This site is currently an established freedom camping area allowing for 3 self-contained vehicles to park overnight. The area is adjacent to the beach, allows for beach access and boat access. There is a restaurant and bar, public toilets, walking pathways, playground infrastructure and the old public pool.</p> | <p>Site suitable for freedom camping. Increasing signage to designate which carparks are allocated to F/C including time limits will help to mitigate confrontation between campers upon on arrival (i.e., who was there first). There is the potential to increase the amount of designated spots as the surrounding infrastructure would support this.</p> <p><b>Restrict</b></p> <table><tr><th>Area</th><th>H&amp;S</th><th>Access</th><th>Total</th></tr><tr><td>2</td><td>2</td><td>1</td><td>5</td></tr></table> | Area   | H&S   | Access | Total | 2 | 2 | 1 | 5 | <br> |
| Area  | H&S   | Access | Total |        |       |   |   |   |   |      |

|   |  |
|---|--|
| Assigned status in report   | RESTRICT   |
| Do we agree at a glance with status initially assigned?   | YES  |
| If no, what should it be? (review questions below if unsure) i.e. list in bylaw as:   | N/A  |
| DECISION POST SITE-VISIT AND IWG ANALYSIS   | NOT IN BYLAW BUT SEPARATE RESOLUTION TO ENABLE (RESTRICT)  |
| DECISION POST IWI CONSIDERATIONS  | AS ABOVE   |
| Reason  | Retain two current spots. Protect access (competing uses). |
| Land Status   |  |
| If the land is held under the Reserves Act 1977, is it legally possible to provide for camping? i.e. is it, or will it, be included in RMP? Would the use of the land for camping be consistent with (or not have negative consequences on) the purpose for which the land is held. | Unclassified Recreation reserve                            |
| If the site is not owned by Council, is it feasible to work with the landowner/authority to discuss this as a restricted FC site?   | n/a  |
| Significance  |  |
| Do we need to further investigate cultural significance of this site?   | No   |
| Do we need to further investigate ecological significance of this site?   | No   |
| Do we need to further investigate the historic or heritage significance of this site?   | No   |
| Competing uses and implementation   |  |
| Can the site cater for larger sized motorhomes?   | Up to 8m   |
| Is this site extensively used for sports activity parking at times?   | Yes + markets  |
| What would the site need in terms of line marking, signage, bollards etc?   | Improve signage, add park marking                          |
| Can waste be adequately managed at the site (on site or in vehicle)?  | Bins avail   |
| Non SC camping and amenities  |  |
| Would this site be suitable for non-SC camping? i.e does it have amenities  | No   |
| If yes but it doesn't have current amenities, does it have the right environment to provide?  | No   |
| No. of parks  |  |
| How many parks?   | 2  |
| Length of stay  |  |
| How many nights stay would this site be suitable for?   | 48 hours   |
| External providers and user pays  |  |
| Would the site be suitable for an NZMCA campground? i.e. >5,000 sqm   | No   |
| Would it be appropriate to charge users to park at this site?   | No   |
| Would this site work with user-pays amenities? (provided by Council or 3rd party)   | No   |

WAIKANAE PARK, WAIKANAE

Waikanae Park (CURRENT SITE)

| Site Description  | Scoring Matrix and Recommendations   | Photos  |       |        |       |   |   |   |   |  |
|---|--|---|-------|--------|-------|---|---|---|---|--|
| <p>This site is currently an established freedom camping area allowing for 2 self-contained vehicles to park overnight. The area is adjacent to an active reserve, including sports fields, wrestling club, skatepark, pony club, public toilets, and is close to the Waikanae Pool. The sealed carpark as approximately 25 carparks. The site is located within a residential area, is quiet and secluded.</p> | <p>Site suitable for freedom camping. The site is a great exemplar for other sites within the district. The site could support an additional 1-2 designated F/C spots. The site would benefit from bins.</p> <div>• Restrict •</div> |     |       |        |       |   |   |   |   |  |
