A large, semi-transparent watermark is printed diagonally across the page. The word "Superceded" is written in a bold, sans-serif font. The letters are oriented from the bottom-left towards the top-right, following the diagonal of the page. The watermark is light gray, making it less prominent against the background.

A map showing a network of streets and paths. A large area in the upper left is shaded with a cross-hatch pattern. A blue line represents a path or stream bed. Numerous green outlined areas, labeled K035 through K200, are scattered across the map. A large, diagonal, semi-transparent gray watermark with the word "Superseded" written in a cursive font covers the central portion of the map.

A map page header with a red border. The top section contains the text "Appeals Version - April 2021". Below this is a scale bar labeled "Scale 1:30,000/A3" with values 0, 75, 150, 300, 450, and 600. A small grayscale bar chart is next to the scale. Below the scale is the word "Meters". To the right is a large gray triangle pointing upwards. At the bottom right is the word "NORTH".

## Map 19D Natural Features

## LEGEND

The legend consists of ten entries, each with a colored icon and a descriptive label:

- Key Indigenous Trees**: Red tree icon.
- Geological**: Red triangle icon.
- Geological Area**: Yellow square icon containing three smaller triangles.
- Extent of the Coastal Environment Area**: Grey horizontal bar icon.
- Ecological Sites**: Green square icon with a diagonal cross.
- Special Amenity Landscapes**: Purple square icon.
- Outstanding Natural Landscapes and Features**: Orange square icon with a diagonal line.
- Area of Outstanding Natural Character**: Blue square icon with a white outline.
- Areas of High Natural Character**: Light blue square icon.
- Coastal Environment**: Grey square icon with a white cross.
- Rivers Streams and Drains**: Blue horizontal bar icon.
