DELEGATION

- 3 The Audit and Risk Subcommittee has authority under the following delegation in the Governance Structure, Section C.3:

Without limiting the generality of this delegation the Subcommittee has the following functions, duties and powers:

Internal Control Framework

- 7.1 *Review whether management's approach to maintaining an effective internal control framework is sound and effective.*

BACKGROUND

Legislative Compliance Declarations – Statutory Compliance Issues

- 4 Each quarter group managers complete a legislative compliance declaration setting out the significant legislative requirements and declaring whether or not, to the best of their knowledge, they are aware of any compliance issues or breaches of legislation during the previous three month period in respect of the acts determined as 'key' by the council's external auditors. Those 'key' acts are the Local Government Act 2002 (LGA 2002), the Local Authorities (Members Interest) Act 1968, the Local Government (Rating) Act 2002 and the Local Government Official Information and Meetings Act 1987 (LGOIMA).
- 5 Group managers may also declare issues that have occurred under additional pieces of legislation in instances where they believe that particular issues should be documented in this manner.

Ombudsman and Privacy Commissioner Investigations

- 6 Council staff also track the receipt and management of investigations being carried out by the Ombudsman or Privacy Commissioner in relation to any complaints received about the actions of the Council.
- 7 Under the Ombudsmen Act 1975 the Ombudsman can investigate complaints about the administrative acts and decisions of central and local government agencies. Under the Official Information Act 1982 and LGOIMA the Ombudsman can also handle complaints and investigate the administrative conduct of these agencies in relation to official information requests. Official information requests received by the Council fall under LGOIMA.
- 8 The Privacy Commissioner administers the Privacy Act 1993 (Privacy Act). The Privacy Act governs how individuals, organisations and businesses collect, use, disclose, store and give access to personal information. The Privacy Commissioner can investigate complaints about actions that may breach the provisions of the Privacy Act.

Official Information Requests

- 9 Council monitors official information requests to ensure pertinent and timely responses are supplied. Staff provide a regular update on the number of official information requests received by Council and provide an indication of the impact of multiple requesters.

Bylaw Monitoring

- 10 In 2015, work was undertaken to strengthen the processes supporting the Council's management of its bylaws. This included a legal review undertaken to confirm the status of each bylaw, and the introduction of updated processes to ensure effective bylaw management across Council.
- 11 Council currently has 14 bylaws. The Corporate Planning and Reporting team monitors the progress of these bylaws, and regularly reports on them to the subcommittee.

Additional Investigations/Mediations or Other Compliance Matters

- 12 Staff will also report on any additional investigations or mediations carried out by other external agencies as well as informing the subcommittee of any other relevant compliance matters including updates on the current litigation status and weathertight claims.

CURRENT STATUSLegislative Compliance Declarations

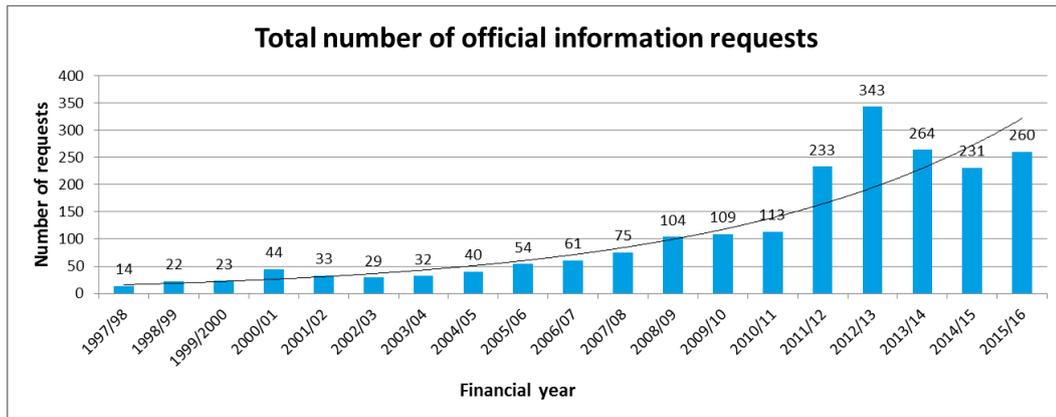

- 13 One matter was identified during the fourth quarter of 2015/16 with regards to the Local Government (Rating) Act 2002. Advice has been received that the rates assessment for Section 16 (targeted rate – specifically the fixed charge for water) and for Section 19 (targeted rate for water supply - relating to the volumetric charge) is not consistent with Sections 45 (contents of rates assessment) and 46 (rates invoice) of the Act. The advice recommends the Council introduce changes for the 2017/18 year.

Ombudsman and Privacy Commissioner Investigations

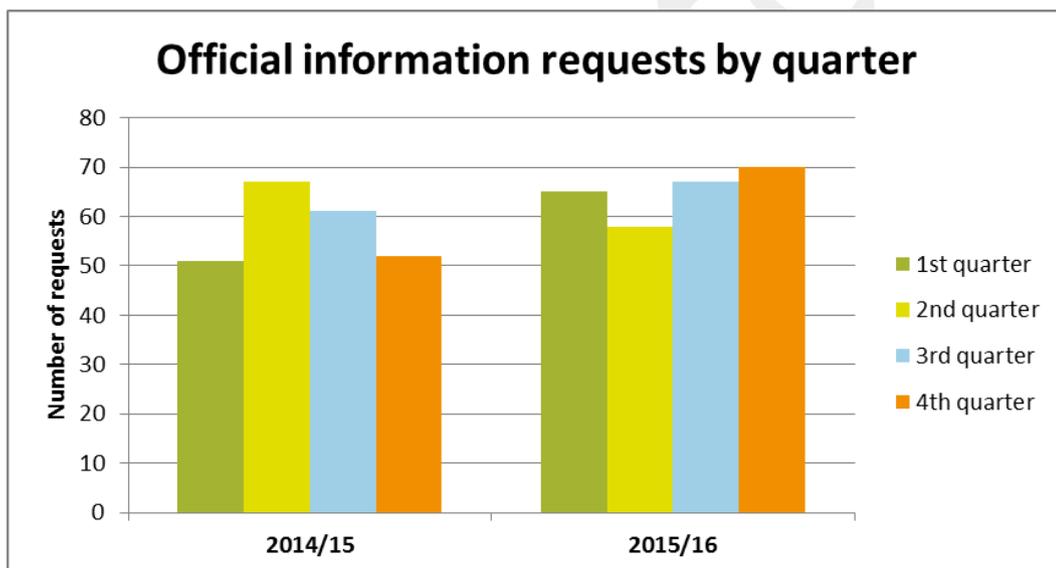

- 14 At the time of writing this report there are two formal investigations being carried out by the Office of the Ombudsman. In addition the Office of the Ombudsman is in contact with the Council's in-house legal team regarding a number of informal investigations.
- 15 At the time of writing this report the Council has been contacted by the Privacy Commissioner regarding one matter that may proceed to a formal investigation.
- 16 An overview of Ombudsman and Privacy Commissioner complaints is attached as Appendix A to this report.

Official Information Request Year-to-date Performance and Fourth Quarter Update

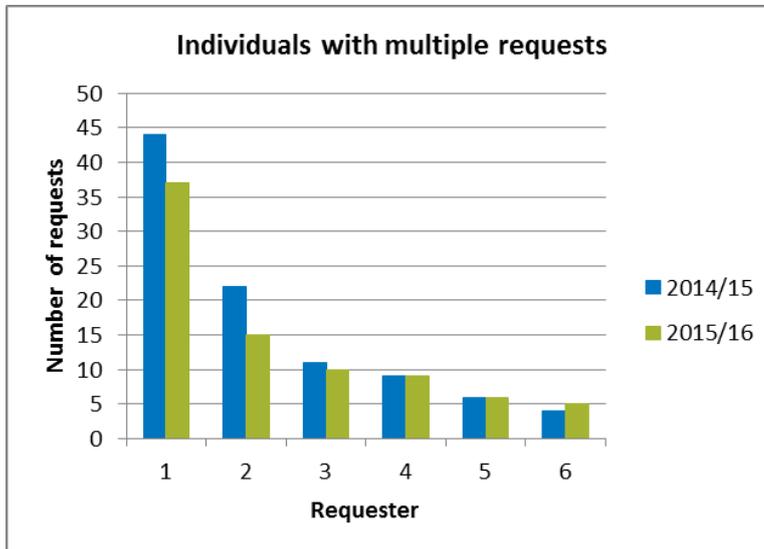

17 The council received a total of 260 official information requests during 2015/16. Council received 29 more requests than 2014/15. However requests are still tracking below the previous two years.

18 The council received 70 requests within the fourth quarter of 2015/16 in comparison with 52 requests received in the fourth quarter of the 2014/15 year.

- 19 Council also continues to receive a large number of requests from a low number of specific individuals. During 2015/16 six individuals made five or more requests. One individual made 37 requests during this period. The previous year the highest number was 44.
- 20 Two requesters have remained at the top of the list in both 2014/15 and 2015/16 and four of the requesters are in the top six for both years.
