Matters Arising

There were none.

Matters Under Action

Ngāwhakangutu Reserve Management Plan (Tasman Lakes)

Ms Prvanov confirmed there was no Tasman Lakes Reserve Committee (known as Friends of Tasman Lakes) so in the absence of this committee Council Officers had been liaising with the Peka Peka Guardians Society. Consent conditions of the Tasman Lakes subdivision and the plan change 63 processes require that a Development Plan is also prepared, subject to allocation of the necessary funding.

Ms Prvanov also raised the question of where the revenue for grazing stock goes as this could be used to partially offset the cost of preparing the Development Plan.

It was suggested that Board Members needed to draw up a criteria and initiate a process that seeks volunteers for a 'Friends of Tasman Lakes' group. This would be Council-led.

Mr Maxwell confirmed there were no resources to apply to a Development Plan and agreed that if Board Members felt this was to be given a high priority above other requests to Council, then it was agreed that a Friends Group was a good place to start.

MINUTES	MEETING HELD ON	TIME
WAIKANAĒ COMMUNITY BOARD	TUESDAY, 21 JUNE 2016	7.30PM

Mr Maxwell would liaise with Council's Parks and Recreation Manager and report back to Board Members on what was involved in getting a Friends Group together and a realistic timeframe.
