PRESENTATION : SPEED LIMIT REVIEW

Mr Neil Trotter, Roothing Network Planning Team Leader talked to the Board about the Speed Limit Review. Mr Trotter provided an overview of why Council were doing this now, the new approach for speed limits, what had been done already, future speed limit review and what they would like from the Paekākāriki Community Board.

Cr Holborow wanted a more consistent approach throughout the district. She had received feedback from a few shop owners in the village about cars travelling a lot faster. The Chair wanted the community to be consulted. Mr Trotter confirmed that potentially a community engagement specialist could be employed and an outside event could be arranged. Mr Mallon confirmed they would be focussing currently only on those roads causing concern at the moment – further work would happen over the next few years.

The Board thanked Mr Trotter and Ms Munster for their attendance and for the timeliness of the presentation.
