

KAPITI COAST DISTRICT COUNCIL
Paekākāriki-Raumati Ward
Electing 1 Councillor

Janet HOLBOROW

My principal place of residence is in the Paekākāriki-Raumati Ward area.

Kapiti is poised for growth and change. As we respond to challenges such as the completion of the expressway and associated growth we need experience and agility. As your Ward Councillor, I have worked alongside the community to address issues, including Raumati Straights traffic and consent for the Paekakariki seawall. In order to reduce rates we need to grow the local economy while maintaining our commitment to the environment. Projects like the Kapiti Performing Arts Centre, Zeal youth facility, Town Centres and Mahara Gallery redevelopment are key, and we need continuity and oversight of these. As Chair of the Grants Committee and representative on the Kapiti Youth Council, Te Whakaminenga o Kapiti and the Economic Development Leadership Group I have developed a strong understanding of local organisations and issues. Attaining the Resource Management Act Chair's accreditation has given me a sound knowledge of environmental and planning issues. janetholborow@gmail.com 027 2961628.
