Rezoning areas to General Residential Zones. Specifically my road, Ventnor Drive, which is changing from Low Density Residential to General Residential.

Q9. **My submission is: [include whether you support or oppose the specific provisions or wish to have them amended; and reasons for your views]**

I oppose Ventnor Drive and the surrounding area being rezoned. This is because it is important to keep areas with lower density housing in order to have the trees and other habitat to support wildlife, in particular native birds. We have kereru, piwakawaka, tui, and moreporks here, but in recent years we are seeing fewer, particularly the moreporks, which are very sensitive to changes in their environment. Local people park in Ventnor Drive and walk along the roads here, enjoying the countryside feel without having to drive a long way out of town. Without areas like this we risk the whole district feeling like a soulless town with only rugby fields for any green spaces.

Q10. **I seek the following decision from the Kāpiti Coast District Council: [give precise details]**

Do not change the zoning of Ventnor Drive and surrounding streets.
