

KAPITI COAST DISTRICT COUNCIL
Waikanae Ward
Electing 1 Councillor

Tim PARRY

My principal place of residence is in the Waikanae Ward area.

We need a transparent council with fewer closed doors, less petulance and more community consultation. A positive example of the latter is the excellent teamwork this year between

Waikanae Beach residents and KCDC. I was one of the residents 'working group' members looking at community concerns as together we shape the future.

I think for myself, have commercial acumen and will do due diligence on key issues. Robust but polite community debate guaranteed.

Water is still a serious issue with our summers getting longer and drier. Previous councils purchased land on which to build a dam. I believe the incoming council must vote on a proposed start date for building the dam and factor into budgets what is a major commitment. Kapiti's popularity is on the rise and a dam will quickly become a must have asset.

A vote for Tim is a vote for a more transparent council.
