2. Fire evacuation scheme

Most commonly a building requires an evacuation scheme because it is used for the following purposes:

- The gathering together, for **any purpose of 100 or more persons**:
- Providing **employment facilities for 10 or more persons**:
- Providing **accommodation for more than 5 persons** (other than in 3 or fewer household units):
- **Storing or processing hazardous substances in quantities exceeding the minimum amounts** prescribed in Schedule 3 of the Fire and Emergency New Zealand (Fire Safety, Evacuation Procedures, and Evacuation Schemes) Regulations 2018.

See Fire and Emergency New Zealand Act 2017 section 75 and 76 for further information.

*If you are unsure that the building has or requires an approved evacuation scheme, check with the **building owner**. For the requirements of an evacuation scheme or to apply for an evacuation scheme, refer to Fire and Emergency New Zealand web site. **www.fireandemergency.nz** or Contact Fire and Emergency New Zealand, wellingtondistrict-rteams@fireandemergency.nz.*

Statement

I hereby state that (tick one):

the **owner** of the building in which the premises are situated provides and maintains an evacuation scheme as required by section 76 of the Fire and Emergency New Zealand Act 2017;

OR

because of the building's current use, its owner is not required to provide and maintain such a scheme;

OR

because of the nature of the building, its owner is exempt from the requirement to provide and maintain such a scheme.

NOTE:

If an approved evacuation scheme is not required, the building must have evacuation procedures that meet Part 1 of the Fire and Emergency New Zealand (Fire Safety, Evacuation Procedures, and Evacuation Schemes) Regulations 2018 – this does not require approval by Fire and Emergency New Zealand.
