I .....G. ELVINES..... see a fundamental change is required to the Draft Management plan for the Northern portion of the Park.

I believe we need to have an area of land allocated for a Small Iconic Bio Security Hub/Visitor Centre positioned to the **south** of Tikotu Stream.

We would need to include upgrading the Tikotu stream and providing a new pedestrian link way to the boat launching area.

We would need to include a wide pedestrian boardwalk linking the business district through Maclean Park.
