PARAPARAUMU/RAUMATI COMMUNITY BOARD

22 NOVEMBER 2016

Meeting Status: **Public**

Purpose of Report: For Information

COMMUNITY BOARD REMUNERATION 2016-2017

PURPOSE OF REPORT

- 1 This report presents the Paraparaumu-Raumati Community Board with information on remuneration for Elected Members.

BACKGROUND

- 2 Elected member remuneration is determined by an independent statutory body, the Remuneration Authority ('the Authority'). Under the Local Government Act 2002 the Authority sets the base remuneration for all elected members including community boards. It also sets allowances and expenses. In undertaking its duties the Authority has regard to the need to maintain fair relativity with other levels of remuneration elsewhere and be fair to both elected members and ratepayers.
- 3 Remuneration for community boards is based on the population of their community and a job description (see Appendix 1 for a Community Board Member role description). The primary function of community boards is representation, so the Authority has taken the view that having community board remuneration linked to population is fairer to board members. It is reasonable to expect that the time, effort and expertise required to represent a large number of people would be greater than that for a smaller number of people, thus the remuneration of members of a community boards serving a large population will be greater than that of members of a board serving a small population. This does not mean that community board remuneration is an exact fixed multiple of its population; rather it means that there is relativity between a community board's population and the remuneration of its elected members.
- 4 The remuneration for board chairs is set at twice that of members. The deputy chair of a community board is remunerated as a board member. This reflects the Authority's view that the role of deputy chair is not sufficiently different from that of a board member to warrant additional remuneration.
- 5 If a community board has additional levels of responsibility then the Authority may approve additional remuneration for that board after receiving proposals from the relevant council. Each proposal is considered on its own merits and evidence would be required to show how the community board was operating significantly above and beyond the role of boards as outlined in section 52 of the Local Government Act 2002.
- 6 In May 2016, at the Authority's request and following consultation with all the community boards Council made a submission to the Authority arguing that community board members should be paid an additional amount based on extra responsibilities incurred by the unprecedented rate of development in the District

(the Expressway and Transmission Gully projects.) However the Authority was not convinced by the arguments and so there was no additional remuneration granted to boards.

- 7 The Authority has released a Determination for Elected Member Remuneration for 2016/17 and the salaries applying to the Paraparaumu-Raumati Community Board are as follows:

Chairperson	\$18,972
-------------	----------

Member	\$ 9,486
--------	----------

- 8 Further information on the Authority's model for calculation of elected member remuneration is at <http://www.remauthority.govt.nz/local-government/>
- 9 Elected members are able to claim reimbursement for using private vehicles on council business. In making its decisions on vehicle allowances the Authority uses Automobile Association calculations of car running costs and the IRD mileage rate. Elected members are able to receive up to 74 cents per km allowance for the first 5,000 kms travelled on council business, and 37 cents per km thereafter. When travelling to and from council offices, the first 30 km (of a round trip) are not reimbursed. This is in recognition of the fact that all workers need to pay for their own commute to work each day. This information is included in the Council's Elected Member Expenses and Allowances Policy (Appendix 2) which was approved by the Authority earlier this year.
- 10 For community board members Council has also approved an annual communications allowance of \$190 per member. This recognises the fact that Board Chairs are provided with a mobile device as a key business tool, but members are not. The communications allowance seeks to support board members using their own computers for role-related work.

Dear Mr Dougherty

Elected Members Allowance and Reimbursement Policy 1 July 2016 – 30 June 2019

Please find enclosed your Council's approved Elected Members Allowance and Reimbursement policy.

Information about allowances and withholding tax

Whilst the Remuneration Authority does not give tax advice, we understand that communications and mileage allowances are no longer subject to withholding tax. We further understand that Local Government New Zealand will shortly circulate a communication to that effect. To avoid the need to re-submit your policy we have deleted references to taxation as part of our approval.

Making information available to the public

Some councils have chosen not to specify current allowance rates in their policy. We recommend that those councils provide a link on their website to the Remuneration Authority's determination to help members of the public to find the current rates if they wish to do so.

Yours sincerely

Angela Foulkes
Deputy Chair
