**Kathy SPIERS**

My principal place of residence is in the Paraparaumu Ward area. I am also standing for Paraparaumu-Raumati Community Board.

A vote for Kathy Spiers is a vote to get things done. Being a Councillor means engaging with our communities and listening. I stand for

focusing on our core services, with health and well being of our communities of paramount importance. If elected I will work hard so that we do not lose sight of the fact that our people come first. We need to ensure that the Kapiti Health Advisory Group continues to advocate for access to Improved health care closer to home. We have had some wins working in Partnership with the District Health Boards, there is still much work to be done. As a ratepayer for many years and as your representative on council I will represent the interest of our communities with vigour, passion and determination and report back to you. I stand for grassroots democracy, I stand for the Kapiti Coast.
