3 Objective

3.1 This objective of the Kapiti Coast District Council Freedom Camping Policy is to better manage freedom camping on the Kapiti Coast. Improved management of this activity will help:

- ensure the quality of the freedom camping experience;
- reduce nuisance complaints;
- reduce damage or degradation of the environment;
- reduce conflict with local residents and commercial interests; and
- ensure people's health and safety.

3.2 In achieving this objective, the Freedom Camping Policy acts as both a regulatory and information tool that will help to ensure visitors and locals have a clear understanding of where freedom camping is prohibited, where freedom camping is restricted and the restrictions that apply to freedom camping in those areas, and the services/facilities available to make it happen successfully.

3.3 Nothing in this Policy derogates from any provision of, or the necessity for compliance with:

- I. any other Council bylaws or District Plan requirements;
- II. any other requirements imposed by either Greater Wellington Regional Council or Department of Conservation; and
- III. any customary rights.

4 Camping facilities on the Kapiti Coast

4.1 The Kapiti Coast District has a range of well maintained commercial campgrounds that cater to most camping interests and budgets throughout the year. For a safe and enjoyable camping experience the Kapiti Coast District Council recommends campers use these facilities and book ahead (over the summer months) so that they can reserve a site for the duration of their stay

4.2 At present the Council provides sites for freedom camping (refer Schedule 1) but for *self-contained* freedom camping only. *Not self-contained* freedom campers must either use commercial facilities or the Department of Conservation facility at Otaki Forks.

- 4.3 For details on campground facilities on the Kapiti Coast visit one of the Kapiti Coast’s i-SITE¹ visitor information centres or collect a copy of the Kapiti Coast District Freedom Camping Brochures from any Council Service Centre².
