Request for Official Information responded to under the Local Government and Official Information and Meetings Act 1987 (LGOIMA) – reference: 7981475 (OIR: 2021-176)

I refer to your information request we received on 9 February 2021.

Council response regarding your request:

What is the total value of all artwork owned by the Kapiti Coast Council?

1. How many artworks does the council own?

Currently we have 131 items on our Collections Register, including outdoor public art and items housed in Council buildings.

The artworks have not all been valued. A current estimation of total value of those that have been valued for depreciation purposes, or have an estimated value by the artist, is **\$294,795**.

Please refer to the attached documents “Attachment 2 - Art Collection as at 22 Feb 2021” and “Attachment 1 - Art Collection previous request in 2020”. The list has been updated since a previous request we responded to, with amendments/additions highlighted in green.

2. How many artworks by Colin McCahon does the council own?

Council does not own any artwork by this artist. On that basis I must decline this part of your request as the documents alleged to contain the information requested does not exist or, despite reasonable efforts to locate it, cannot be found, Section 17(e) of LGOIMA refers.

3. When were the McCahon paintings last exhibited?

Not applicable – please refer to our response to Question 2.

4. What is the council's current level of debt?

Current level of debt is \$165 million.
