

18 February 2021

Request for Official Information responded to under the Local Government and Official Information and Meetings Act 1987 (LGOIMA) – reference: 7925393 (OIR: 2021-165)

I refer to your information request received on 22 January 2021 in which you asked for *the cost for Council to add fluoride (salts) to the water supply at the Waikanae Water Treatment Plant in each of the last three financial years ended 30 June, and the projected cost for this year?*

Council's response regarding your request:

The costs for the following periods are:

Year 16-17	\$6,243	
Year 17-18	\$10,405	
Year 18-19	\$8,324	
Year 19-20	\$4,162	
Year 20-25	\$36,776	(4 years costs)

The products for Year 20-25 have already been purchased and delivered this financial year and this equated to four years supply from April this year.

Yours sincerely
