**Request for Official Information responded to under the Local Government and Official Information and Meetings Act 1987 (LGOIMA) (the Act) – reference: OIR 2122-124**

I refer to your information request we received, transferred from Greater Wellington Regional Council on 8 November 2021 for the following:

***For Kapiti: Could you please advise the details (KM) and number of cycleways for four years to 30 June 2021. This is to be broken down into single lane and double lane cycle lanes. This will not include cycle trails but separate cycle routes from other vehicle traffic.***

**Council response regarding your request**

In the four years to 30 June 2021, our cycleway records show:

- Single-lane cycleway has a 12.5km length over 43 cycleways; and
- No double-lane cycleways.

This excludes cycle trails such a shared cycle, pedestrian, bridleway tracks.

Yours sincerely
