Request for Official Information responded to under the Local Government and Official Information and Meetings Act 1987 (LGOIMA) (the Act) – reference: 2122-294

I refer to your information request we received on 17 June 2022 for the following:

- 1. Please confirm the date changes were made to the Governance Structure and Delegations, 2019-2022 Triennium that enables these changes.***

Changes have recently been made to the Governance Structure document on 5 July 2022 and a new version will be uploaded to the Council website. Council has resolved that three iwi representatives (one from each mana whenua partner) can be appointed to the Council's Strategy and Operations Committee, the Appeals Hearing Committee and the Grants Allocation Subcommittee from 1 July 2022 with full voting rights.

Council also resolved that one representative can be appointed to the Audit and Risk Committee from 1 July 2022 via a recruitment process. Our three iwi mana whenua partners have been approached to suggest representatives to be appointed. Once the iwi representatives are known, Council will resolve to approve these representatives at which point the Governance Structure document will be amended with specific names accordingly.

- 2. I note mention of a "commitment made in the Council's 2021-41 Long-term Plan" Please confirm that this commitment negates the KCDC web-site Governance Structure and Delegations, 2019-2022 Triennium or has it been amended. If so, please provide all details, i.e. date, wording.***

The changes have now been made to the Governance Structure document and a new version will be uploaded to the Council website and once uploaded the commitment made in the Long-term Plan will match the Governance Structure and Delegations document.

- 3. (Your Q1) Provide a copy of the dated document showing the increase to full voting rights from one (above) to three. Give the meeting date. Alternatively, advise that voting rights apply to one, not three appointees.***

The Council resolved at the Council Meeting held on 7 June 2022 that three iwi representatives (one from each mana whenua partner) can be appointed to the Council's Strategy and Operations Committee, the Appeals Hearing Committee and the Grants Allocation Subcommittee from 1 July 2022 with full voting rights.

Council also resolved on the same date that one representative can be appointed to the Audit and Risk Committee from 1 July 2022. Our three iwi mana whenua partners have been approached to suggest representatives to be appointed. The minutes of that meeting have been attached.

4. (Your Q2) Provide a copy of the dated document showing the increase to full voting rights from one (above) to three. Give the meeting date.

Please refer to the answer to question three. The minutes of the meeting have been appended.

5. (Your Q3) Provide a copy of the dated document showing the increase to full voting rights from one (above) to three. Give the meeting date.

Please refer to the answer to question three. The minutes of the meeting have been appended.

6. (Your Q4) Are the appointees to each committee paid the same \$ amount as the elected members? Are they paid mileage?

At the Council Meeting held on 7 June 2022, Council resolved that each mana whenua representative appointed to the Strategy and Operations Committee, the Appeals Hearing Committee and the Grants Allocation Subcommittee be reimbursed for their contribution by paying each of the three iwi an annual fee equivalent to the remuneration of a full-time elected member (portfolio B) which is currently \$46,372. The mana whenua representative appointed to the Audit and Risk Subcommittee will be reimbursed in accordance with the Council's non-elected member remuneration and expense policy. Iwi representatives can also claim mileage in accordance with that policy.

7. (Your Q5) The incorporated society is now a Charitable Trust, Raukawa is not named, Toa Rangatira are not called a rununga. A hapu is named. How do these different names come together in a legal commitment?

a) Are they the same three organisations?

b) What difference does the change of name make in legal terms?

c) Usually a change in name/title etc requires some procedures. Please list the procedures KCDC faced in recognising the changes to each of the three iwi.

Council recognises the iwi authorities within the rohe of the Kāpiti Coast, Āti Awa ki Whakarongotai, Ngāti Raukawa ki te Tonga me Ngā Hapū o Ōtaki, Ngāti Toa Rangatira and Ngāti Haumia, through the Memorandum of Partnership, which is publicly available at <https://www.kapiticoast.govt.nz/media/qrib0xxw/memorandum-of-partnership-signed-5-dec-2017.pdf>.

As noted in Appendix 1 of this memorandum, the iwi authorities recognised as party to the Memorandum of Partnership are represented as follows:

- Āti Awa ki Whakarongotai is represented by Āti Awa ki Whakarongotai Charitable Trust
- Ngāti Raukawa ki te Ōtaki (Ngā Hapū o Ōtaki) is represented by Ngāti Pare, Ngāti Maiotaki, Ngāti Huia, Ngāti Koroki and Ngāti Kapumanawawhiti, the five resident Raukawa hapū within the Kāpiti Coast District
- Ngāti Toa Rangatires is represented by Te Rūnanga o Toa Rangatira Inc, and by Ngāti Haumia.

It is through the vehicle of the Memorandum of Partnership that the Council works with the iwi representatives, as identified by each of our iwi mana whenua partners.

Any further information relating to the legal structure of each of these authorities, would need to be requested from the authorities themselves.

8. (Your Q6) What, is any land is excluded from KCDC rate demands because it is Maori or iwi owned.

Categories of non-rateable land are specified under Schedule 1 of the Local Government (Rating) Act 2002. (LGRA), and include:

a) the iwi /hapu name

We have decided to refuse your request for this information under section 17(g) of the LGOIMA, the information requested is not held by the local authority.

b) the rates each lot(s) would have attracted had they not had a rate exclusion

We have decided to refuse your request for this information under section 17(f) of the LGOIMA, the information requested cannot be made available without substantial collation or research.

Rates are based on the rates revenue requirement adopted by Council through the Annual/Long Term Plan process and the number of rateable rating units at the time rates are set. To determine what the rates would have been for the fifty-two lots listed would require a recalculation of all rates for all rateable rating units. This information does not currently exist and as such, we are refusing your request for this information under section 17(e) of the LGOIMA.

c) whether any lots are called/registered as 'charitable'.

We have decided to refuse your request for this information under section 17(g) of the LGOIMA, the information requested is not held by the local authority.

9. (Your Q7) Please confirm these three Waitangi Tribunal Settlements (cash, land, property) are correct and advise the known interests each iwi has in the territory for which Kapiti Coast District Council is responsible [see Q5 c) b) c) d)].

a) Ngati Toa (2.12.12): 267 hectares, \$70.61m financial redress+Crown Forestry rentals \$31m = \$101.61m.

- **1 ha Waiorua Area, Kapiti Island – includes building rights.**

b) Te Ati Awa (9.8.14): includes financial and commercial redress sum of \$87m.

c) Raukawa (2.12.12): \$63m, plus the value of the cultural redress properties to be vested.

- **\$63+\$87+\$70.61+ \$31 = \$251.61million financial redress.**

With regards to your request for information related to questions 9a, 9b and 9c noted above, we have decided to refuse your request under section 17(g) of the LGOIMA, the information requested is not held by the local authority.

10. (Your Q7.2) Does KCDC fund/aid any form of Marae repair and maintenance in Kapiti Coast District Council territory?

Council supports marae maintenance and repair by way of annual funding of \$57,300 through the Marae Physical Development and Maintenance Fund. Te Whakaminenga o Kāpiti at its March 2021 meeting approved the allocation of the 2020/21 - 2023/24 funds in the following order: 2020/21 Whakarongotai Marae; 2021/22 Katihiku Marae; 2022/23 Tainui Marae; 2023/24 Raukawa Marae. The fund will be reviewed during the development of the 2024-44 Long Term Plan.

As part of the Kāpiti Coast District Covid Recovery Plan, the Council also provided a grant of \$7,500 to each of the four Marae that are within the Kāpiti Coast district, to increase their resilience to be able to support the community at times of need.

We hope this information has been helpful. Where we have refused information, you have the right to request the Ombudsman to review this decision. Complaints can be sent by email to info@ombudsman.parliament.nz, by fax to (04) 471 2254, or by post to The Ombudsman, PO Box 10152, Wellington 6143.
