SHORT TERM

Date matter raised	Origin	Item	Progress	Estimated date of completion	Report back
01/11/15	PRCB meeting	Setting up a Health Advisory Group on the Kapiti Coast	<p>Meetings and correspondence have been held with CCDHB since November 2015, advocating for improved access to health services and an increased CCDHB profile in the community. Debbie Chin, Chief Executive of CCDHB, plus members of her management team, spoke at the PRCB meeting of 9 May 2017.</p> <p>The Kapiti Health Advocacy Group was formed in June 2017, with members representing health service providers, advocates and local experts. The draft Terms of Reference for the group will be ratified at its next meeting on 5 July 2017.</p>		
14/07/15	PRCB meeting	Raumati Road corridor work (including Weka Road Triangle)	<p>At its meeting on 9 August 2016 the Board was provided with an update on safety improvements planned for the Raumati Road area, including the Weka Road intersection, the Matai Road intersection and the Raumati/Hillcrest roundabout. The tender for this work was awarded to Downer and works began in late January on the north side of Raumati Road.</p> <p>Work on the central island of the roundabout is scheduled to begin in mid-June. Long heavy vehicles will be temporarily diverted around Menin, Matai and Rosetta Roads for 2-3 weeks while the central island is completed. Works are on-going at Weka Road with the formation of the new pedestrian crossing. The project is now expected to be completed by mid-August 2017.</p>	August 2017	
June 2016	RSRA	Plantings at Poplar Avenue	<p>Officers from Council's Parks department have investigated options for tree planting on Poplar Avenue, with two potential suitable sites identified. The proposals are within an area which is currently owned by NZTA but in the process of being passed to DOC for GWRC to manage.</p> <p>Once the land transfer has taken place, discussions can be held with GWRC with a view to establishing an agreement.</p> <p>Officers have requested an update but GWRC but have advised NZTA are unable to provide a timeframe for when the land transfer will take place.</p>	TBA

Mid 2015	LTP 2015-35	Development of Otaraua Park	The Development Plan will be completed in association with the Community Facilities Study. Work on the plan has commenced and is due for completion in December 2017.	2017/18	
17/07/12	Raumati South Residents Association – public speaking at PRCB meeting	Reduced speed through Raumati South Village	<p>A letter was received from the Regional Manager of NZTA requesting that all Road Controlling Authorities defer any speed limit and speed management reviews until they have tested and ratified their new Speed Management Guide.</p> <p>NZTA have now released the speed management guide but it is not finalised yet, we are waiting for this to happen before we set our own process for reviewing local road speed limits.</p> <p>The reason why we said the guide is not finalised yet, is that alongside the guide, NZTA have produced maps which set out recommendations for speed limits for our local roads. These maps have been produced to help local councils make decisions based on the new speed management guide processes. NZTA has now set a meeting date to discuss the new guide and maps with all councils in the Wellington</p>	mid 2017	

¹ Subject to an appropriate agreement about the community use of the centre

			<p>region, this meeting is scheduled for 2 May 2017. This meeting will start the process of engaging with councils to discuss the maps and, where agreed, to amend them accordingly before they are finalised.</p> <p>As soon as the maps are finalised the Council will be able to undertake a review of speed limits. This is likely to commence in June 2017 and we expect to be able to report back to all community boards around mid 2017 and present on the speed limit process going forward.</p> <p>Council officers are currently preparing the speed limit review process and plan to brief Council and Community Boards on this in July/August this year.</p>		
17/07/12	PRCB meeting	Town Centres Project	<p><u>Paraparaumu</u></p> <p>Work has started on the upgrade of the Kāpiti Lights area. We are beginning with improvements to the Coastlands Parade laneway which will see new planting, seating and paving. We are also installing some innovative lighting and will be calling for public art submissions for a mural on one of the laneway walls. The upgrade of Kāpiti Lights aims to make the area more pedestrian friendly, will help create a setting that supports new and existing businesses to thrive and will make it safer and easier for people to move from the transport hub through the Kāpiti Lights area and Coastlands and out onto Rimu Road.</p> <p>The town centres team will be presenting details of the signalised pedestrian crossing on Rimu Road to the Community Board and Council at the end of June with plans for this work to start over the next few months. The installation of a signalised pedestrian crossing on Rimu Road outside Coastlands newest retail pod will also help the Council achieve its vision of establishing Rimu Road as the main street of Paraparaumu.</p> <p><u>Raumati Village</u></p> <p>An update will be available after the Council meeting of 29 June.</p> <p>The opportunity for seeking reprioritisation of town centre work will be through the Long Term Plan process.</p>	Ongoing
