

OIR: 2526/145

31 October 2025

Tēnā koe ,

Request for Information under the Local Government Official Information and Meetings Act 1987 (the Act) (the LGOIMA)

Thank you for your email of **3 October 2025** requesting the following information:

Please provide a list of all Councillor Martin Halliday's expense claims for the last two years - 2023-2024 and 2024-2025 until today's date. It has recently come to light that his expenses are nearly \$6,000 more than any other councillor has claimed during this time frame. Please provide the date of expense, amount, chart of account and description of the expense claim.

Attached is a copy of Cr Halliday's expense and mileage claims over the past two financial years and to date this financial year. The claim forms include the date, a description of the claim and whether it is a claim for mileage or expense reimbursement.

Further if the data is available already in a previous OIR please just send me a list of all current Councillor expenses for the last two years in the same format. I am aware that a table of total expenses for the period already exists but this does not disclose all activities or what expenses were.

I understand you only requested this information if it had already been compiled. I can confirm this data has not been compiled for a previous information request, however, please find attached a table of total expenses previously released.

Ngā mihi,

Mark de Haast

Group Manager Corporate Services
Te Kaihautū Ratonga Tōpū

Please note that any information provided in response to your request may be published on the Council website, with your personal details removed.
