Thanks for this. I was hoping to have the FTE figure currently- is that possible?

These figures are a year old.

Thanks

Subject: Staff numbers

Hi Darren/Sean

There is a lot of comment circulating about staff numbers and I would like to quote the correct information. Mark gave me the following staff numbers:

2021/22 413 staff

2022/23 454 staff

2023/24 478 staff

Can you please let me know what the current staff numbers are?

Thanks
