Q9. **My submission is: [include whether you support or oppose the specific provisions or wish to have them amended; and reasons for your views]**
 I support this plan change. The area has recently had an infrastructure upgrade ahead of the road changing to council ownership, it is now a short and safe cycle to the train station, it is within cycle/walking distance to local primary schools and secondary schools. A lot of the housing stock is late 70's early/mid 80s on a 1/4 acre or larger section. Replacing this housing with quality medium density (3 unit/3 story) dwellings will improve the housing stock in the area and it is within a distance of the train station to encourage active transport/public transport use. The upgraded stormwater and drinking water lines will also cope with an increase in dwellings.

Q10. **I seek the following decision from the Kāpiti Coast District Council: [give precise details]**
 Pass Plan Change 2 with the proposed rezoning (section 19.1) of 60-222 Main Road South from general rural to general residential, as shown on Map 14 appendix A and page 11 Appendix D
