

## KAPITI COAST DISTRICT COUNCIL

### Paraparaumu Ward

### Electing 2 Councillors

---

#### **Martin HALLIDAY**

Independent

My principal place of residence is in the Paraparaumu Ward area. I am also standing for Mayor.

I have been part of the Paraparaumu Community for over 10 years in which time we raised our family and built a local award winning business.

Through my involvement with community groups I have championed various causes.

I feel our community voice is not being listened to or advocated for, this has to change.

Councillor representation is about being the voice of the community.

As your Councillor I will listen, Act, and represent you on  
The climate crises.

Sustainability.

Community Resilience.

Current issues with Te Newhanga Kapiti Community Centre

Support future development of the Ocean Road Community Centre.

Fit for purpose community facilities.

Balance between community and business development in the face of expected population growth.

Using our creative industries to bring fun, color and culture to our district.

My Kaupapa. Working for my community with integrity and accountability.
